DEBTORS' SECOND OMNIBUS OBJECTION (PROCEDURAL) PURSUANT TO
11 U.S.C. § 502(b) AND FED. R. BANKR. P. 3007 TO CERTAIN (I) EQUITY CLAIMS,
(II) CLAIMS DUPLICATIVE OF CONSOLIDATED TRUSTEE OR AGENT CLAIMS,
AND (III) DUPLICATE AND AMENDED CLAIMS

("SECOND OMNIBUS CLAIMS OBJECTION")

Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates (the "Affiliate Debtors"), debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), hereby submit this Second Omnibus Objection Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (i) Equity Claims, (ii) Claims Duplicative Of Consolidated Trustee Or Agent Claims, And (iii) Duplicate And Amended Claims On Procedural Grounds (the "Second Omnibus Claims Objection"), and respectfully represent as follows:

Background

A. The Chapter 11 Filings

1. On October 8 and 14, 2005, Delphi and certain of its U.S. subsidiaries and affiliates filed voluntary petitions in this Court for reorganization relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as amended (the "Bankruptcy Code"). The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. This Court entered orders directing the joint administration of the Debtor's chapter 11 cases.

2. No trustee or examiner has been appointed in the Debtors' cases. On October 17, 2005, the Office of the United States Trustee (the "U.S. Trustee") appointed an official committee of unsecured creditors. On April 28, 2006, the U.S. Trustee appointed an official committee of equity holders.

3. This Court has jurisdiction over this objection pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding under 28 U.S.C. § 157(b)(2).

4. The statutory predicates for the relief requested herein are section 502(b) of the Bankruptcy Code and Rule 3007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

B. Current Business Operations Of The Debtors

5. As of December 31, 2005, Delphi and its subsidiaries and affiliates (collectively, the "Company") had global 2005 net sales of approximately \$26.9 billion and global assets of approximately \$17.0 billion.¹ At the time of its chapter 11 filing, Delphi ranked as the fifth largest public company business reorganization in terms of revenues, and the thirteenth largest public company business reorganization in terms of assets. Delphi's non-U.S. subsidiaries are not chapter 11 debtors and continue their business operations without supervision from the Bankruptcy Court.

6. The Company is a leading global technology innovator with significant engineering resources and technical competencies in a variety of disciplines, and is one of the largest global suppliers of vehicle electronics, transportation components, integrated systems and modules, and other electronic technology. The Company supplies products to nearly every major global automotive original equipment manufacturer.

7. Delphi was incorporated in Delaware in 1998 as a wholly-owned subsidiary of General Motors Corporation ("GM"). Prior to January 1, 1999, GM conducted the Company's business through various divisions and subsidiaries. Effective January 1, 1999, the assets and liabilities of these divisions and subsidiaries were transferred to the Company in accordance with the terms of a Master Separation Agreement between Delphi and GM. In

¹ The aggregated financial data used in this objection generally consists of consolidated information from Delphi and its worldwide subsidiaries and affiliates.

connection with these transactions, Delphi accelerated its evolution from a North American-based, captive automotive supplier to a global supplier of components, integrated systems, and modules for a wide range of customers and applications. Although GM is still the Company's single largest customer, today more than half of Delphi's revenue is generated from non-GM sources.

C. Events Leading To The Chapter 11 Filing

8. In the first two years following Delphi's separation from GM, the Company generated approximately \$2 billion in net income. Every year thereafter, however, with the exception of 2002, the Company has suffered losses. In calendar year 2004, the Company reported a net loss of approximately \$4.8 billion on \$28.6 billion in net sales.² Reflective of a continued downturn in the marketplace, in 2005 Delphi incurred net losses of approximately \$2.4 billion on net sales of \$26.9 billion.

9. The Debtors believe that the Company's financial performance has deteriorated because of (a) increasingly unsustainable U.S. legacy liabilities and operational restrictions driven by collectively bargained agreements, including restrictions preventing the Debtors from exiting non-profitable, non-core operations, all of which have the effect of creating largely fixed labor costs, (b) a competitive U.S. vehicle production environment for domestic OEMs resulting in the reduced number of motor vehicles that GM produces annually in the United States and related pricing pressures, and (c) increasing commodity prices.

10. In light of these factors, the Company determined that it would be imprudent and irresponsible to defer addressing and resolving its U.S. legacy liabilities, product

² Reported net losses in calendar year 2004 reflect a \$4.1 billion tax charge, primarily related to the recording of a valuation allowance on the U.S. deferred tax assets as of December 31, 2004. The Company's net operating loss in calendar year 2004 was \$482 million.

portfolio, operational issues, and forward-looking revenue requirements. Because discussions with its major unions and GM had not progressed sufficiently by the end of the third quarter of 2005, the Company commenced these chapter 11 cases for its U.S. businesses to complete the Debtors' transformation plan and preserve value for its stakeholders.

D. The Debtors' Transformation Plan

11. On March 31, 2006, the Company outlined the key tenets of its transformation plan. The Company believes that this plan will enable it to return to stable, profitable business operations and allow the Debtors to emerge from these chapter 11 cases in the first half of 2007. To complete their restructuring process, the Debtors must focus on five key areas. First, Delphi must modify its labor agreements to create a competitive arena in which to conduct business. Second, the Debtors must conclude their negotiations with GM to finalize GM's financial support for the Debtors' legacy and labor costs and to ascertain GM's business commitment to the Company. Third, the Debtors must streamline their product portfolio to capitalize on their world-class technology and market strengths and make the necessary manufacturing alignment with their new focus. Fourth, the Debtors must transform their salaried workforce to ensure that the Company's organizational and cost structure is competitive and aligned with its product portfolio and manufacturing footprint. Finally, the Debtors must devise a workable solution to their current pension situation.

12. Upon the conclusion of the reorganization process, the Debtors expect to emerge as a stronger, more financially sound business with viable U.S. operations that are well-positioned to advance global enterprise objectives. In the meantime, Delphi will marshal all of its resources to continue to deliver high-quality products to its customers globally. Additionally, the Company will preserve and continue the strategic growth of its non-U.S. operations and maintain its prominence as the world's premier auto supplier.

E. Bar Date, Proofs Of Claim, And Omnibus Claims Objections

13. On April 12, 2006, this Court entered an Order Under 11 U.S.C. §§ 107(b), 501, 502, And 1111(a) And Fed R. Bankr. P. 1009, 2002(a)(7), 3003(c)(3), And 5005(a) Establishing Bar Dates For Filing Proofs Of Claim And Approving Form And Manner Of Notice Thereof (Docket No. 3206) (the "Bar Date Order"). Among other things, the Bar Date Order established July 31, 2006 (the "Bar Date") as the last date for all persons and entities holding or wishing to assert "Claims," as such term is defined in 11 U.S.C. § 101(5), against a Debtor (collectively, the "Claimants") to file a proof of claim form with respect to each such Claim.

14. On or prior to April 20, 2006, Kurtzman Carson Consultants, LLC, the claims and noticing agent in these cases (the "Claims Agent"), provided notice of the Bar Date by mailing a notice of bar date approved by this Court (the "Bar Date Notice"), together with a proof of claim form, to (a) the persons or entities set forth in the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and Statements") filed with this Court on January 20, 2006 (and subsequently amended on February 1, 2006 and April 18, 2006) and (b) the persons and entities included in the notice database compiled by the Debtors, but not listed on any of the Schedules and Statements. In total, the Debtors provided Bar Date Notices to more than 500,000 persons and entities.

15. In addition, the Debtors published the Bar Date Notice in the New York Times (National Edition), the Wall Street Journal (National, European, and Asian Editions), USA Today (Worldwide Edition), the Automotive News (National Edition), and in local editions of the following: the Adrian Daily Telegram, the Arizona Daily Star, the Buffalo News, the Chicago Sun Times, the Clinton News, the Columbia Dispatch, the Daily Leader, Dayton Daily News, the Detroit Free Press, the El Paso Times, the Fitzgerald Herald Leader, the Flint Journal, the Gadsden Times, the Grand Rapids Press, the Greenville News, the Indianapolis Star, the

Kansas City Star, the Kokomo Tribune, the Lansing State Journal, the Laurel Leader, the Los Angeles Daily News, the Milwaukee Journal Sentinel, the Mobile Beacon, the Mobile Register, the Oakland Press, the Olathe Daily News, the Rochester Democrat and Chronicle, the Saginaw News, the Sandusky, the Tribune Chronicle, the Tulsa World, the Tuscaloosa News, and the Vindicator, and electronically through posting on the Delphi Legal Information Website, www.delphidocket.com, on or before April 24, 2006.

16. Approximately 16,000 proofs of claim (the "Proofs of Claim") have been timely filed against the Debtors in these cases. On September 19, 2006, the Debtors filed the First Omnibus Objection Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (i) Duplicate And Amended Claims And (ii) Equity Claims ("First Omnibus Claims Objection"). In the First Omnibus Claims Objection, the Debtors objected to approximately 3,500 claims. On October 24, 2006, the Court entered an order disallowing and expunging (a) certain Claims because they were duplicative of other Claims or had been amended or superseded by later filed Claims and (b) certain Claims because they were filed by holders of Delphi common stock solely on account of their stock holdings. In this Second Omnibus Claims Objection, the Debtors are objecting to 2,853 claims.³

Relief Requested

17. By this Objection, the Debtors seek entry of an order pursuant to 11 U.S.C. § 502(b) and Bankruptcy Rule 3007 disallowing and expunging (a) those Claims set forth on

³ Consistent with the notice provided to claimants with respect to the First Omnibus Claims Objection and approved by this Court in the order entered with respect thereto, the Debtors will provide each Claimant whose Proof of Claim is subject to an objection pursuant to this Second Omnibus Claims Objection with a personalized Notice Of Objection To Claim which specifically identifies the Claimant's Proof of Claim that is subject to an objection and the basis for such objection. A form of Notice Of Objection To Claim is attached hereto as Exhibit A. Claimants will receive a copy of this Second Omnibus Claims Objection without Exhibits B-1, B-2, C, and D hereto. Claimants will nonetheless be able to review such exhibits free of charge by accessing the Debtors' Legal Information Website (www.delphidocket.com).

Exhibit B-1 attached hereto because they were filed by holders of Delphi common stock solely on account of their stock holdings, (b) those Claims set forth on Exhibit B-2 attached hereto because they were filed by holders of Delphi common stock solely on account of their stock holdings or, in the alternative, were untimely pursuant to the Bar Date Order, (c) those Claims set forth on Exhibit C attached hereto because (i) they were filed by individual noteholders or trust preferred security holders and are duplicative of the consolidated proof of claim filed on their behalf by Wilmington Trust Company ("Wilmington Trust") or Law Debenture Trust Company of New York ("Law Debenture," together with Wilmington Trust, "Trustees"), as appropriate, or (ii) they were filed by individual lenders under the prepetition credit facility and are duplicative of the liabilities in the master proof of claim filed by JPMorgan Chase Bank, N.A. ("JPMorgan" or "Agent") on behalf of itself and each of the prepetition secured lenders, and (d) those Claims set forth on Exhibit D attached hereto because they are duplicative of other Claims or have been amended or superseded by later filed Claims.

A. Equity Claims

18. During the Debtors' review of the Proofs of Claim, the Debtors determined that certain of the Proofs of Claim filed against the Debtors in fact represent proofs of interest that were filed on behalf of persons or entities holding Delphi common stock (the "Equity Claims"). The Debtors caused the Claims Agent to serve notice of the Bar Date on holders of Delphi common stock to ensure that holders of stock who desired to assert claims against any of the Debtors that were not based solely upon their ownership of Delphi common stock would be afforded the opportunity to file claims in these chapter 11 cases.

19. The ownership of Delphi common stock constitutes an equity interest in Delphi, but does not constitute a "claim" against Delphi's estate as such term is defined in section 101(5) of the Bankruptcy Code. Furthermore, as set forth in the Bar Date Notice that was

approved by this Court, creditors and equityholders were notified that they were not required to file proofs of claim based exclusively on ownership interests in Delphi common stock.⁴

20. In addition, certain of the Equity Claims were received by the Debtors after the Bar Date ("Untimely Equity Claims"). With respect to those Untimely Equity Claims, the Debtors also object to such Claims on the basis that they were not timely filed pursuant to the Bar Date Order.⁵

21. Attached hereto as Exhibit B-1 is a list of the Equity Claims that the Debtors have identified as solely representing proofs of interest. The Debtors therefore seek to have reclassified from Claims to interests and disallowed and expunged. To the extent that any of the individuals or entities that filed the Equity Claims listed on Exhibit B-1 hold valid equity interests in Delphi as of the applicable record date, the requested reclassification of their Proofs

⁴ The Bar Date Order provides, in relevant part:

Proofs of Claim are not required, at this time, to be filed by any Person or Entity asserting a Claim of any of the types set forth below:

* * *

(h) Any holder of equity securities of, or other interests in, the Debtors solely with respect to such holder's ownership interest in or possession of such equity securities, or other interest; provided, however, that any such holder which wishes to assert a Claim against any of the Debtors that is not based solely upon its ownership of the Debtors' securities, including, but not limited to, Claims for damages or rescission based on the purchase or sale of such securities, must file a proof of claim on or prior to the General Bar Date in respect of such Claim.

Bar Date Order ¶5 (emphasis added).

⁵ The Bar Date Order provides:

Any Person or Entity which is required to file a Proof of Claim in these chapter 11 cases but that fails to do so in a timely manner on or before the applicable Bar Date shall be forever barred, estopped, and enjoined from (a) asserting any Claim against the Debtors that such Person or Entity has that (i) is in an amount that exceeds the amount, if any, that is set forth in the Schedules as undisputed, non-contingent, and unliquidated or (ii) is of a different nature or in a different classification than as set forth in the Schedules (any such Claim referred to as an "Unscheduled Claim") and (b) voting upon, or receiving distributions under, any plan or plans of reorganization in these chapter 11 cases in respect of an Unscheduled Claim, and the Debtors and their property shall be forever discharged from any and all indebtedness or liability with respect to such Unscheduled Claim.

Bar Date Order ¶ 11.

of Claim and disallowance of their Claims will not impair any entitlements they may ultimately have under a plan of reorganization with respect to such equity interests. Attached hereto as Exhibit B-2 is a list of Untimely Equity Claims which the Debtors have identified as solely representing proofs of interest and therefore seek to have reclassified from Claims to interests and disallowed and expunged. In addition, the Debtors seek to have such Untimely Equity Claims disallowed and expunged as Claims that were not timely filed pursuant to the Bar Date Order.⁶

22. Accordingly, the Debtors (a) object to the Equity Claims, (b) object to the Untimely Equity Claims, and (c) seek entry of an order disallowing and expunging both the Equity Claims and Untimely Equity Claims in their entirety.

B. Claims Duplicative Of Consolidated Trustee Or Agent Claims

23. During the Debtors' review of the Proofs of Claim, the Debtors determined that certain of the Proofs of Claim filed by certain claimants against the Debtors in fact assert duplicate Claims for a single liability.

24. Wilmington Trust is the successor indenture trustee under a 1999 Indenture Agreement ("1999 Indenture") for a series of senior unsecured securities that were due in 2006, 2009, 2013, and 2029. Pursuant to Section 6.02 of the 1999 Indenture, Wilmington Trust is authorized to file a proof of claim on behalf of all holders of notes.⁷ On August 2, 2006,

⁶ None of the Untimely Equity Claims listed on Exhibit B-2 hereto was included as part of the Motion For Order Under Fed. R. Bankr. P. 3003(c)(3) And 9006(b)(1) Deeming Certain Proofs Of Claim Timely Filed, dated September 29, 2006 (Docket No. 5238).

⁷ 1999 Indenture provides, in relevant part:

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Corporation or any other obligor upon Securities of any series under Title 11 of the United States Code or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Corporation or such other obligor, or in case of any other judicial proceedings relative to the Corporation
(cont'd)

Wilmington Trust filed with this Court a consolidated Proof of Claim on behalf of the noteholders in the amount of \$2,044,593,402.77 plus amounts presently unliquidated (Claim No. 10271) (the "Wilmington Trust Trustee Claim").

25. Law Debenture is the successor indenture trustee and property trustee under an October 2003 and a November 2003 Indenture Agreement for junior subordinated notes due 2033 and adjustable rate junior subordinated notes due 2033. On April 17, 2006, Law Debenture filed with this Court a consolidated Proof of Claim on behalf of individual holders in the amount of \$420,083,457.18 (Claim No. 2660) (the "Law Debenture Trustee Claim").

26. Certain individual holders filed Proofs of Claim asserting liabilities also asserted by either the Wilmington Trust Trustee Claim or the Law Debenture Trustee Claim (the "Individual Holder Claims"). Because the Trustees also filed consolidated Proofs of Claim on behalf of their respective holders, the Individual Holder Claims are duplicative. Furthermore, as set forth in the Bar Date Notice that was approved by this Court, individual holders were notified that they were not required to file proofs of claim based exclusively on the issuance of Delphi

or such other obligor, or to the creditors or property of the Corporation or such other obligor, the Trustee, irrespective of whether the principal of the Securities of such series shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal (or, with respect to Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series), and premium, if any, interest, if any, and Additional Amounts, if any, owing and unpaid in respect of the Securities of such series, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee under Section 7.06 and of the Holders of the Securities and Coupons of such series allowed in any such judicial proceedings relative to the Corporation or other obligor upon the Securities of such series, or to the creditors or property of the Corporation or such other obligor.

senior and junior subordinated unsecured debt.⁸ Therefore, the Debtors object to the Individual Holder Claims as duplicative, but are not objecting to the Wilmington Trust Trustee Claim or the Law Debenture Trustee Claim.⁹

27. JPMorgan is the administrative agent for the lenders under the Debtors' prepetition 2005 credit facility. Pursuant to the Bar Date Order, JPMorgan was authorized to file a master proof of claim ("JPMorgan Master Proof of Claim") on behalf of all the lenders.¹⁰ On

⁸ The Bar Date Order provided, in relevant part:

Proofs of Claim are not required, at this time, to be filed by any Person or Entity asserting a Claim of any of the types set forth below:

* * *

(g) Any holder of a Claim arising under or in respect of any of the following issuances of Delphi Corporation senior and junior subordinated unsecured debt (each, a "Noteholder"): (i) those certain senior unsecured securities bearing interest at 6.55% and maturing on June 15, 2006; (ii) those certain senior unsecured securities bearing interest at 6.50% and maturing on May 1, 2009; (iii) those certain senior unsecured securities bearing interest at 6.50% and maturing on August 15, 2013; (iv) those certain senior unsecured securities bearing interest at 7.125% and maturing on May 1, 2029; (v) those certain 8.25% junior subordinated notes due 2033; or (vi) those certain adjustable-rate junior subordinated notes due 2033 (collectively, the "Unsecured Securities"), other than the indenture trustees of the Unsecured Securities; provided, however, that any Noteholder who wishes to assert a Claim against the Debtors that is not based solely upon the outstanding prepetition principal and interest due on account of its ownership of such Unsecured Securities must file a proof of claim on or prior to the General Bar Date in respect of such Claim.

Bar Date Order ¶5 (emphasis added).

⁹ The Debtors expressly reserve all of their rights to further object to either or both of the Wilmington Trust Trustee Claim and the Law Debenture Trustee Claim at a later date on any basis whatsoever.

¹⁰ The Bar Date Order provides, in relevant part:

(a) In order to facilitate the processing of claims, to ease the burden upon the Court and to reduce any unnecessary expense to the Debtors' estates, the Pre-Petition Agent (as defined in the Final DIP Financing Order) is authorized to file a master proof of claim on behalf of itself and the Pre-Petition Secured Lenders (as defined in the Final DIP Financing Order) on account of their claims arising under the Third Amended and Restated Credit Agreement, dated as of June 14, 2005, and all other documentation executed in connection therewith (collectively, the "Loan Documents") and under the Final Order under 11 U.S.C §§ 105, 361, 362, 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1), and 364(e) and Federal Rules of Bankruptcy Procedure 2002, 4001 and 9014 (i) Authorizing the Debtors to Obtain Post-Petition Financing, (ii) to Utilize Cash Collateral and (iii) Granting Adequate Protection to Pre-Petition Secured Parties, dated October 28, 2005 (the "Final DIP Financing Order"), against all of the Debtors (the "Master Proof of Claim"), and the Pre-Petition Agent shall not be required to file a verified statement pursuant to Rule 2019 of the Bankruptcy Rules.

(cont'd)

July 26, 2006, JPMorgan filed its Master Proof of Claim in the amount of \$2,547,541,816.00 (Claim No. 11047). Despite the provisions of the Bar Date Order providing that upon filing of the Master Proof of Claim each lender shall be deemed to have filed a proof of claim, certain lenders filed proofs of claim asserting liabilities under the prepetition credit facility (the "Individual Lender Claims"). Because the Individual Lender Claims are thus duplicative of the liabilities asserted under the Master Proof of Claim, the Debtors object to the Individual Lender Claims. At this time, the Debtors are not objecting to the Master Proof of Claim.¹¹

28. Attached hereto as Exhibit C is a list of Claims that the Debtors have identified as Individual Holder Claims and Individual Lender Claims. For each Individual Holder Claim and Individual Lender Claim listed on Exhibit C hereto, the Debtors have indicated the appropriate Trustee or Agent Claim that will be the "Surviving Claim." The Debtors (a) object to the Individual Holder Claims, (b) object to the Individual Lender Claims, and (c) seek entry of an order disallowing and expunging the Individual Holder Claims and Individual Lender Claims in their entirety.

C. Duplicate And Amended Claims

29. During the Debtors' review of the Proofs of Claim received to date, the Debtors determined that certain of the Proofs of Claim filed against the Debtors in fact assert

(cont'd from previous page)

(b) Upon the filing of the Master Proof of Claim against the Debtors, the Pre-Petition Agent and each Pre-Petition Secured Lender, and each of their respective successors and assigns, shall be deemed to have filed a proof of claim against each Debtor in the amount set forth opposite its name therein in respect of its claims against each Debtor arising under the Loan Documents, and the claim of the Pre-Petition Agent and each Pre-Petition Secured Lender (and each of their respective successors and assigns), named in the Master Proof of Claim shall be allowed or disallowed as if such entity had filed a separate proof of claim in the chapter 11 cases in the amount set forth opposite each name in the Master Proof of Claim. . . .

Bar Date Order ¶10.

duplicate Claims (each, a "Duplicate Claim") for a single liability. In some instances, Duplicate Claims arose when a claimant filed Proofs of Claim against multiple Debtor entities for the same liability. In an effort to eliminate the Duplicate Claims, the Debtors reviewed the Proofs of Claim, the supporting documentation provided for those Proofs of Claim, and the Debtors' Schedules and Statements to make a determination as to which duplicate claim should be the surviving claim.

30. Additionally, the Debtors have determined that many Claims evidenced by Proofs of Claim were subsequently amended or superseded by other Proofs of Claim filed by creditors with respect to the same liabilities. For instance, many amended Proofs of Claim (the "Amended Proofs of Claim") were filed to amend an amount previously claimed in an earlier Proof of Claim (the "Original Proof of Claim"). Other Amended Proofs of Claim were filed to amend the classification of part or all of an earlier Original Proof of Claim.

31. It is axiomatic that creditors are not entitled to multiple recoveries for a single liability against a debtor. Accordingly, the Debtors wish to eliminate the Duplicate Claims. In addition, the Debtors wish to eliminate from the Debtors' claims register Original Proofs of Claim for which Amended Proofs of Claim were subsequently filed (collectively, the "Duplicate and Amended Claims").

32. Set forth on Exhibit D attached hereto is a list of Claims that the Debtors have identified as Duplicate and Amended Claims. For each Duplicate and Amended Claim, Exhibit D classifies Proofs of Claim as either a Claim To Be Expunged (the "Expunged Claim") or as a Surviving Claim (the "Surviving Claim").¹² Generally, the Surviving Claims reflect the

classifications of the liabilities as reflected on the Debtors' Schedules.¹³ The Debtors request that the Claims marked as Expunged Claims on Exhibit D be disallowed and expunged. With respect to the Claims on Exhibit D marked as Surviving Claims, the Debtors do not seek any relief at this time. The inclusion of the Surviving Claims on Exhibit D, however, does not reflect any view by the Debtors as to the ultimate validity of any such Claim. The Debtors therefore expressly reserve all of their rights to further object to any or all of the Surviving Claims at a later date on any basis whatsoever.

33. Accordingly, the Debtors (a) object to the Duplicate and Amended Claims and (b) seek entry of an order disallowing and expunging the Duplicate and Amended Claims in their entirety.

Separate Contested Matters

34. To the extent that a response is filed with respect to any Claim listed in this Second Omnibus Claims Objection and the Debtors are unable to resolve the response prior to the hearing on this objection, the Debtors request that each such Claim and the objection to such Claim asserted in this Second Omnibus Claims Objection be deemed to constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. The Debtors further

¹³ As stated in the Global Notes And Statement Of Limitations, Methodology And Disclaimer Regarding Debtors' Schedules And Statements (the "Global Notes"), filed as part of the Debtors' Schedules and Statements:

Certain of the Debtors maintain consolidated books and records. Specifically, the books and records for Exhaust Systems Corporation, Environmental Catalysts LLC, ASEC Manufacturing General Partnership ["ASEC Manufacturing"], and ASEC Sales General Partnership [(collectively, the "Catalyst Entities")] are maintained in this manner. The financial information for these entities has been consolidated for purposes of the Schedules and Statements and such consolidated financial information has been included in the Schedules and Statements of each of [the Catalyst Entities].

Global Notes ¶ 19. Where claimants filed Proofs of Claim against ASEC Manufacturing and one or more of the other Catalyst Entities, the Debtors have, for purposes of administrative convenience, retained the Claim filed against ASEC Manufacturing as the Surviving Claim. Undoubtedly, despite the consolidation of the books and records of the Catalyst Entities, claimants should not retain more than one claim for a single liability. Nonetheless, the Debtors expressly reserve all of their rights to re-classify these obligations as obligations of another Debtor entity at a later date.

request that any order entered by the Court with respect to an objection asserted in this Second Omnibus Claims Objection be deemed a separate order with respect to each Claim.

Reservation Of Rights

35. The Debtors expressly reserve the right to amend, modify, or supplement this Second Omnibus Claims Objection and to file additional objections to the Proofs of Claim or any other Claims (filed or not) which may be asserted against the Debtors. Should one or more of the grounds for objection stated in this Second Omnibus Claims Objection be dismissed, the Debtors reserve their rights to object on other stated grounds or on any other grounds that the Debtors discover during the pendency of these cases. In addition, the Debtors reserve the right to seek further reduction of any Claim to the extent that such Claim has been paid.

Leonhard) in each case so as to be received no later than 4:00 p.m. (Prevailing Eastern Time) on November 24, 2006.

B. Contents Of Responses

37. Every Response to this Second Omnibus Claims Objection must contain at a minimum the following:

(a) a caption setting forth the name of the Court, the names of the Debtors, the case number, and the title of this Second Omnibus Claims Objection to which the Response is directed;

(b) the name of the Claimant and description of the basis for the amount of the Claim;

(c) a concise statement setting forth the reasons why the Claim should not be disallowed, expunged, or reclassified for the reasons set forth in the Second Omnibus

(f) the name, address, and telephone number of the person (which may be the Claimant or his/her/its legal representative) possessing ultimate authority to reconcile, settle, or otherwise resolve the Claim on behalf of the Claimant.

C. Timely Response Required

38. If a Response is properly and timely filed and served in accordance with the above procedures, and the Debtors are unable to reach a consensual resolution with the Claimant, the Debtors may request the Court to conduct a hearing with respect to the Second Omnibus Claims Objection and the Response on November 30, 2006 at 10:00 a.m. or as soon thereafter as counsel may be heard.

39. Only those Responses made in writing and timely filed and received will be considered by the Court at any such hearing. The Debtors reserve the right to seek to adjourn a hearing with respect to a specific objection set forth herein and any Response thereto.

40. If a Claimant whose Claim is subject to this Second Omnibus Claims Objection and who is served with this Second Omnibus Claims Objection fails to file and serve a timely Response in compliance with the foregoing procedures, the Debtors may present to the Court an appropriate order disallowing and expunging or otherwise limiting such Claim without further notice to the Claimant. Thus, a failure to respond may forever bar Claimants listed on this Second Omnibus Claims Objection from sustaining a Claim against the Debtors.

Replies To Responses

41. The Debtors may, at their option, file and serve a reply to a Claimant's Response so that it is received by the Claimant (or counsel, if represented) no later than 4:00 p.m. (Prevailing Eastern Time) on the day immediately preceding the date of any hearing on this Second Omnibus Claims Objection.

NOTICE OF OBJECTION TO CLAIM

[Claimant Name]:

Delphi Corporation and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), are sending you this notice. According to the Debtors' records, you filed one or more proofs of claim in the Debtors' reorganization cases. Based upon the Debtors' review of your proof or proofs of claim, the Debtors have determined that one or more of your claims identified in the table below should be disallowed as summarized in that table and as described in more detail in the Debtors' Second Omnibus Objection to Certain Claims (the "Second Omnibus Objection"), a copy of which is enclosed (without exhibits). The Debtors' Second Omnibus Objection is set for hearing on November 30, 2006 at 10:00 a.m. (Prevailing Eastern Time) before the Honorable Robert D. Drain, United States Bankruptcy Court for the Southern District of New York, One Bowling Green, Room 610, New York, New York 10004. AS FURTHER DESCRIBED IN THE ENCLOSED SECOND OMNIBUS OBJECTION AND BELOW, THE DEADLINE FOR YOU TO RESPOND TO THE DEBTORS' OBJECTION TO YOUR CLAIM(S) IS 4:00 P.M. (PREVAILING EASTERN TIME) ON NOVEMBER 24, 2006. IF YOU DO NOT RESPOND TIMELY IN THE MANNER DESCRIBED BELOW, THE ORDER GRANTING THE RELIEF REQUESTED MAY BE ENTERED WITHOUT ANY FURTHER NOTICE TO YOU.

The enclosed Second Omnibus Objection identifies several different categories of objections. The category of claim objection applicable to you is identified in the table below in the column entitled "Basis For Objection":

To the extent that the Basis For Objection is listed as "Equity," the Debtors have objected to your proof of claim because the Debtors believe that your proof of claim is based solely on the ownership of Delphi Corporation common stock. FOR SUCH PROOFS OF CLAIM, THE DEBTORS DO NOT SEEK TO CANCEL OR MODIFY THE HOLDER'S STOCK OWNERSHIP INTERESTS OR THEIR SUBSTANTIVE RIGHTS. Rather, because ownership of common stock does not give rise to a claim under the Bankruptcy Code, the Debtors are requesting that the Bankruptcy Court recharacterize the proof of claim as a proof of interest and expunge only the claim.

Objections identified as claims "Duplicative Of Consolidated Trustee Or Agent Claim" are those claims that (i) were filed by individual noteholders or trust preferred security

holders and are duplicative of the consolidated proof of claim filed on their behalf by Law Debenture Trust Company of New York or Wilmington Trust Company as trustees or (ii) were filed by individual lenders under the prepetition credit facility and are duplicative of the liabilities in the master proof of claim filed by JPMorgan Chase Bank, N.A. on behalf of itself and each of the prepetition secured lenders.

Objections identified as "Duplicate And Amended" claims are those that are either duplicates of other claims or have been amended or superseded by other claims.

If you disagree with this Second Omnibus Objection, you must file a response and serve it so that it is actually received by no later than 4:00 p.m. (Prevailing Eastern Time) on November 24, 2006. Your response, if any, to the Second Omnibus Claims Objection must (a) be in writing, (b) conform to the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules for the Southern District of New York, and the Amended Eighth Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. R. Bankr. P. 2002(m), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures, entered by this Court on October 26, 2006 (the "Amended Eighth Supplemental Case Management Order") (Docket No. 5418), (c) be filed with the Bankruptcy Court in accordance with General Order M-242 (as amended) – registered users of the Bankruptcy Court's case filing system must file electronically, and all other parties-in-interest must file on a 3.5 inch disk (preferably in Portable Document Format (PDF), WordPerfect, or any other Windows-based word processing format), (d) be submitted in hard copy form directly to the chambers of the Honorable Robert D. Drain, United States Bankruptcy Judge, and (e) be served upon (i) Delphi Corporation, 5725 Delphi Drive, Troy, Michigan 48098 (Att'n: General Counsel), (ii) counsel to the Debtors, Skadden, Arps, Slate, Meagher & Flom LLP, 333 West Wacker Drive, Suite 2100, Chicago, Illinois 60606 (Att'n: John Wm. Your response, if any, must also contain at a minimum the following: (i) a caption setting forth the name of the Bankruptcy Court, the names of the Debtors, the case number, and the title of the Second Omnibus Objection to which the response is directed; (ii) the name of the claimant and description of the basis for the amount of the claim; (iii) a concise statement setting forth the reasons why the claim should not be disallowed or modified for the reasons set forth in the Second Omnibus Objection, including, but not limited to, the specific factual and legal bases upon which you will rely in opposing the Second Omnibus Objection; (iv) all documentation or other evidence of the claim upon which you will rely in opposing the Second Omnibus Objection to the extent not included with the proof of claim previously filed with the Bankruptcy Court; (v) the address(es) to which the Debtors must deliver any reply to your response, if different from that presented in the proof of claim; and (vi) the name, address, and telephone number of the person (which may be you or your legal representative) possessing ultimate authority to reconcile, settle, or otherwise resolve the claim on your behalf.

The Bankruptcy Court will consider only those responses made as set forth herein and in accordance with the Amended Eighth Supplemental Case Management Order. If no responses to the Second Omnibus Objection are timely filed and served in accordance with the procedures set forth herein and in the Amended Eighth Supplemental Case Management Order, the Bankruptcy Court may enter an order sustaining the Second Omnibus Objection without further notice. D. The Claims listed on Exhibit B hereto are Claims that (i) were filed by filed by individual noteholders or trust preferred security holders ("Individual Holder Claims") and are duplicative of the consolidated proof of claim filed on their behalf by Law Debenture Trust Company of New York or Wilmington Trust Company, as appropriate, or (ii) were filed by individual lenders under the prepetition credit facility ("Individual Lender Claims") and are duplicative of the liabilities in the master proof of claim filed by JPMorgan Chase Bank, N.A. on behalf of itself and each of the prepetition secured lenders.

¹ Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Fed. R. Bankr. P. 7052. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in the Second Omnibus Claims Objection.

E. The Claims listed on Exhibit C hereto under the column heading "Claim To Be Expunged" are Claims that are either duplicates of Claims filed with the Court or are Claims that have been amended or superseded by later-filed Claims.

F. The relief requested in the Second Omnibus Claims Objection is in the best interests of the Debtors, their estates, their creditors, and other parties-in-interest.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED
THAT:

1. Each Equity Claim listed on Exhibit A hereto is hereby reclassified as an interest, and is disallowed and expunged as a claim in its entirety.

2. Each Individual Holder Claim and Individual Lender Claim listed as a "Claim To Be Expunged" on Exhibit B hereto is hereby disallowed and expunged in its entirety. Those Claims identified on Exhibit B as "Surviving Claims" shall remain on the claims register, but shall remain subject to future objection by the Debtors.

3. Each "Claim To Be Expunged" listed on Exhibit C hereto is hereby disallowed and expunged in its entirety. Those Claims identified on Exhibit C as "Surviving Claims" shall remain on the claims register, but shall remain subject to future objection by the Debtors.

4. Entry of this order is without prejudice to the Debtors' right to object to any other claims in these chapter 11 cases, or to further object to claims that are the subject of the Second Omnibus Claims Objection, on any grounds whatsoever.

5. Nothing contained herein shall constitute, nor shall it be deemed to constitute, the allowance of any claim asserted against any of the Debtors.

6. This Court shall retain jurisdiction over the Debtors and the holders of Claims subject to the Second Omnibus Claims Objection to hear and determine all matters arising from the implementation of this order.

7. Each Claim and the objections by the Debtors to each Claim as addressed in the Second Omnibus Claims Objection and as set forth on Exhibits A, B and C hereto constitutes a separate contested matter as contemplated by Fed. R. Bankr. P. 9014. This order shall be deemed a separate order with respect to each Claim. Any stay of this order shall apply only to the contested matter which involves such Claim and shall not act to stay the applicability or finality of this order with respect to the other contested matters covered hereby.

8. The requirement under Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York for the service and filing of a separate memorandum of law is deemed satisfied by the Second Omnibus Claims Objection.

9. Kurtzman Carson Consultants, LLC (the "Claims Agent") is hereby directed to serve this order, including exhibits, only on the master service list and the 2002 list. The Claims Agent is hereby further directed to serve all claimants whose proofs of claim are the subject of this order with a copy of this order, without exhibits, and a personalized Notice Of Entry Of Order in the form attached hereto as Exhibit D specifically identifying the Claimant's proof of claim that is subject to the order, the Court's treatment of such proof of claim, and the basis for such treatment, as well as advising the Claimant of its ability to view the order with exhibits free of charge on the Debtors' Legal Information Website.

("THIRD OMNIBUS CLAIMS OBJECTION")

Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates (the "Affiliate Debtors"), debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), hereby submit this (I) Third Omnibus Objection (Substantive) Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (a) Claims With Insufficient Documentation, (b) Claims Unsubstantiated By Debtors' Books And Records, And (c) Claims Subject To Modification And (II) Motion To Estimate Contingent And Unliquidated Claims Pursuant To 11 U.S.C. § 502(c) (the "Third Omnibus Claims Objection"), and respectfully represent as follows:

Background

A. The Chapter 11 Filings

1. On October 8 and 14, 2005, Delphi and certain of its U.S. subsidiaries and affiliates filed voluntary petitions in this Court for reorganization relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as amended (the "Bankruptcy Code"). The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. This Court entered orders directing the joint administration of the Debtor's chapter 11 cases.

2. No trustee or examiner has been appointed in the Debtors' cases. On October 17, 2005, the Office of the United States Trustee (the "U.S. Trustee") appointed an official committee of unsecured creditors. On April 28, 2006, the U.S. Trustee appointed an official committee of equity holders.

3. This Court has jurisdiction over this objection pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding under 28 U.S.C. § 157(b)(2).

4. The statutory predicates for the relief requested herein are sections 502(b) and 502(c) of the Bankruptcy Code and Rule 3007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

B. Current Business Operations Of The Debtors

5. As of December 31, 2005, Delphi and its subsidiaries and affiliates (collectively, the "Company") had global 2005 net sales of approximately \$26.9 billion and global assets of approximately \$17.0 billion.¹ At the time of its chapter 11 filing, Delphi ranked as the fifth largest public company business reorganization in terms of revenues, and the thirteenth largest public company business reorganization in terms of assets. Delphi's non-U.S. subsidiaries are not chapter 11 debtors and continue their business operations without supervision from the Bankruptcy Court.

6. The Company is a leading global technology innovator with significant engineering resources and technical competencies in a variety of disciplines, and is one of the largest global suppliers of vehicle electronics, transportation components, integrated systems and modules, and other electronic technology. The Company supplies products to nearly every major global automotive original equipment manufacturer.

7. Delphi was incorporated in Delaware in 1998 as a wholly-owned subsidiary of General Motors Corporation ("GM"). Prior to January 1, 1999, GM conducted the Company's business through various divisions and subsidiaries. Effective January 1, 1999, the assets and liabilities of these divisions and subsidiaries were transferred to the Company in accordance with the terms of a Master Separation Agreement between Delphi and GM. In

connection with these transactions, Delphi accelerated its evolution from a North American-based, captive automotive supplier to a global supplier of components, integrated systems, and modules for a wide range of customers and applications. Although GM is still the Company's single largest customer, today more than half of Delphi's revenue is generated from non-GM sources.

C. Events Leading To The Chapter 11 Filing

8. In the first two years following Delphi's separation from GM, the Company generated approximately \$2 billion in net income. Every year thereafter, however, with the exception of 2002, the Company has suffered losses. In calendar year 2004, the Company reported a net loss of approximately \$4.8 billion on \$28.6 billion in net sales.² Reflective of a continued downturn in the marketplace, in 2005 Delphi incurred net losses of approximately \$2.4 billion on net sales of \$26.9 billion.

9. The Debtors believe that the Company's financial performance has deteriorated because of (a) increasingly unsustainable U.S. legacy liabilities and operational restrictions driven by collectively bargained agreements, including restrictions preventing the Debtors from exiting non-profitable, non-core operations, all of which have the effect of creating largely fixed labor costs, (b) a competitive U.S. vehicle production environment for domestic OEMs resulting in the reduced number of motor vehicles that GM produces annually in the United States and related pricing pressures, and (c) increasing commodity prices.

10. In light of these factors, the Company determined that it would be imprudent and irresponsible to defer addressing and resolving its U.S. legacy liabilities, product

² Reported net losses in calendar year 2004 reflect a \$4.1 billion tax charge, primarily related to the recording of a valuation allowance on the U.S. deferred tax assets as of December 31, 2004. The Company's net operating loss in calendar year 2004 was \$482 million.

portfolio, operational issues, and forward-looking revenue requirements. Because discussions with its major unions and GM had not progressed sufficiently by the end of the third quarter of 2005, the Company commenced these chapter 11 cases for its U.S. businesses to complete the Debtors' transformation plan and preserve value for its stakeholders.

D. The Debtors' Transformation Plan

11. On March 31, 2006, the Company outlined the key tenets of its transformation plan. The Company believes that this plan will enable it to return to stable, profitable business operations and allow the Debtors to emerge from these chapter 11 cases in the first half of 2007. To complete their restructuring process, the Debtors must focus on five key areas. First, Delphi must modify its labor agreements to create a competitive arena in which to conduct business. Second, the Debtors must conclude their negotiations with GM to finalize GM's financial support for the Debtors' legacy and labor costs and to ascertain GM's business commitment to the Company. Third, the Debtors must streamline their product portfolio to capitalize on their world-class technology and market strengths and make the necessary manufacturing alignment with their new focus. Fourth, the Debtors must transform their salaried workforce to ensure that the Company's organizational and cost structure is competitive and aligned with its product portfolio and manufacturing footprint. Finally, the Debtors must devise a workable solution to their current pension situation.

12. Upon the conclusion of the reorganization process, the Debtors expect to emerge as a stronger, more financially sound business with viable U.S. operations that are well-positioned to advance global enterprise objectives. In the meantime, Delphi will marshal all of its resources to continue to deliver high-quality products to its customers globally. Additionally, the Company will preserve and continue the strategic growth of its non-U.S. operations and maintain its prominence as the world's premier auto supplier.

E. Bar Date, Proofs Of Claim, And Omnibus Claims Objections

13. On April 12, 2006, this Court entered an Order Under 11 U.S.C. §§ 107(b), 501, 502, And 1111(a) And Fed R. Bankr. P. 1009, 2002(a)(7), 3003(c)(3), And 5005(a) Establishing Bar Dates For Filing Proofs Of Claim And Approving Form And Manner Of Notice Thereof (Docket No. 3206) (the "Bar Date Order"). Among other things, the Bar Date Order established July 31, 2006 (the "Bar Date") as the last date for all persons and entities holding or wishing to assert "Claims," as such term is defined in 11 U.S.C. § 101(5), against a Debtor (collectively, the "Claimants") to file a proof of claim form with respect to each such Claim.

14. On or prior to April 20, 2006, Kurtzman Carson Consultants, LLC, the claims and noticing agent in these cases (the "Claims Agent"), provided notice of the Bar Date by mailing a notice of bar date approved by this Court (the "Bar Date Notice"), together with a proof of claim form, to (a) the persons or entities set forth in the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and Statements") filed with this Court on January 20, 2006 (and subsequently amended on February 1, 2006 and April 18, 2006) and (b) the persons and entities included in the notice database compiled by the Debtors, but not listed on any of the Schedules and Statements. In total, the Debtors provided Bar Date Notices to more than 500,000 persons and entities.

15. In addition, the Debtors published the Bar Date Notice in the New York Times (National Edition), the Wall Street Journal (National, European, and Asian Editions), USA Today (Worldwide Edition), the Automotive News (National Edition), and in local editions of the following: the Adrian Daily Telegram, the Arizona Daily Star, the Buffalo News, the Chicago Sun Times, the Clinton News, the Columbia Dispatch, the Daily Leader, Dayton Daily News, the Detroit Free Press, the El Paso Times, the Fitzgerald Herald Leader, the Flint Journal, the Gadsden Times, the Grand Rapids Press, the Greenville News, the Indianapolis Star, the

Kansas City Star, the Kokomo Tribune, the Lansing State Journal, the Laurel Leader, the Los Angeles Daily News, the Milwaukee Journal Sentinel, the Mobile Beacon, the Mobile Register, the Oakland Press, the Olathe Daily News, the Rochester Democrat and Chronicle, the Saginaw News, the Sandusky, the Tribune Chronicle, the Tulsa World, the Tuscaloosa News, and the Vindicator, and electronically through posting on the Delphi Legal Information Website, www.delphidocket.com, on or before April 24, 2006.

16. Approximately 16,000 proofs of claim (the "Proofs of Claim") have been timely filed against the Debtors in these cases. On September 19, 2006, the Debtors filed the First Omnibus Objection Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (i) Duplicate And Amended Claims And (ii) Equity Claims ("First Omnibus Claims Objection"). In the First Omnibus Claims Objection, the Debtors objected to approximately 3,500 claims. On October 24, 2006, the Court entered an order disallowing and expunging (a) certain Claims because they were duplicative of other Claims or had been amended or superseded by later filed Claims and (b) certain Claims because they were filed by holders of Delphi common stock solely on account of their stock holdings.

17. Contemporaneously with the Third Omnibus Claims Objection, the Debtors are filing the Second Omnibus Objection (Procedural) Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (i) Equity Claims, (ii) Claims Duplicative Of Consolidated Trustee Or Agent Claims, And (iii) Duplicate And Amended Claims ("Second Omnibus Claims Objection"). In the Second Omnibus Claims Objection, the Debtors object to claims on procedural grounds and are seeking to expunge and disallow (a) certain Claims because they were filed by equity holders solely on account of their stock holdings, (b) certain Claims because they were filed by equity holders solely on account of their stock holdings or, in

the alternative, were untimely pursuant to the Bar Date Order, (c) certain Claims because they were filed by individual noteholders or individual lenders and are duplicative of the consolidated or master proofs of claim filed on behalf of the individual noteholders and lenders by JPMorgan Chase Bank, N.A., Law Debenture Trust Company of New York, or Wilmington Trust Company, and (d) certain Claims because they are duplicative of other Claims or have been amended or superseded by later filed Claims. The Debtors objected to 2,853 proofs of claim in the Second Omnibus Claims Objection.

18. In this Third Omnibus Claims Objection, the Debtors are objecting to 1,017 claims.³

Relief Requested

19. By this Objection, the Debtors seek entry of an order pursuant to 11 U.S.C. § 502(b) and Bankruptcy Rule 3007 (a) disallowing and expunging those Claims set forth on Exhibit B-1 attached hereto because they contain insufficient documentation in support of the Claims asserted, (b) disallowing and expunging those Claims set forth on Exhibit B-2 attached hereto because they contain insufficient documentation in support of the Claims asserted and were untimely pursuant to the Bar Date Order, (c) disallowing and expunging those Claims set forth on Exhibit C-1 attached hereto because they are unsubstantiated liabilities or dollar amounts that are not discernable from the Debtors' books and records, (d) disallowing and expunging those Claims set forth on Exhibit C-2 attached hereto because they are

³ Consistent with the notice provided to claimants with respect to the First Omnibus Claims Objection and approved by this Court in the order entered with respect thereto, the Debtors will provide each Claimant whose Proof of Claim is subject to an objection pursuant to this Third Omnibus Claims Objection with a personalized Notice Of Objection To Claim which specifically identifies the Claimant's Proof of Claim that is subject to an objection and the basis for such objection. A form of Notice Of Objection To Claim is attached hereto as Exhibit A. Claimants will receive a copy of this Third Omnibus Claims Objection without Exhibits B-1, B-2, C-1, C-2, and D hereto. Claimants will nonetheless be able to review such exhibits free of charge by accessing the Debtors' Legal Information Website (www.delphidocket.com).

unsubstantiated liabilities or dollar amounts that are not discernable from the Debtors' books and records and were untimely pursuant to the Bar Date Order, and (e) modifying the asserted amount of the overstated or improperly-denominated Claims set forth on Exhibit D attached hereto.

20. In the alternative, should this Court find that any of the Claims to which the Debtors have objected in this Third Omnibus Claims Objection should not be disallowed and expunged, or modified, as applicable, to the extent that such Claims assert contingent or unliquidated claims, the Debtors seek entry of an order pursuant to 11 U.S.C. § 502(c) estimating such Claims for purposes of setting a maximum allowable amount of the claim for distributions under a plan of reorganization confirmed in these chapter 11 cases.

Objections To Claims

A. Insufficiently Documented Claims

21. During their review, the Debtors discovered that certain Proofs of Claim that were filed in these cases do not include sufficient documentation to support the claim asserted (the "Insufficiently Documented Claims"). This deficiency in documentation has made it impossible for the Debtors meaningfully to review the asserted Claims. Furthermore, the Debtors contacted each Claimant which filed an Insufficiently Documented Claim (other than those Claimants who filed a blank proof of claim form).⁴

22. The burden of proof to establish a claim against an estate rests on the claimant and, if a proof of claim does not include sufficient factual support, the proof of claim is not entitled to a presumption of prima facie validity pursuant to Bankruptcy Rule 3001(f) . In re

Dec. 29, 2005) (only a claim that alleges facts sufficient to support legal liability to claimant satisfies claimant's initial obligation to file substantiated proof of claim); see also In re Allegheny Intern., Inc., 954 F.2d 167, 174 (3d Cir. 1992) (in its initial proof of claim filing, claimant must allege facts sufficient to support claim); In re Chiro Plus, Inc. 339 B.R. 111, 113 (Bankr. M.D.N.C. May 2, 2001) (only when claimant alleges facts sufficient to support its proof of claim is it entitled to have claim considered prima facie valid); In re United Cos. Fin. Corp., 267 B.R. 524, 527 (Bankr. D. Del. 2000) (claimant must allege facts sufficient to support legal basis for its claim to have claim make prima facie case). As a result of the Claimants' failure to provide sufficient documentation to permit an understanding of the basis for the Claims, such Claims do not make out a prima facie case against the Debtors.

23. The Insufficiently Documented Claims either (a) fail to assert a Claim, (b) fail to assert a monetary amount for the Claim, (c) state that there is no outstanding Claim against the Debtors, and/or (d) contain no documentation in support of the Claim or provide no evidence of the Debtors' liability for the Claim. In addition, certain of the Insufficiently Documented Claims were received by the Debtors after the Bar Date ("Untimely Insufficiently Documented Claims"). In addition, for those Untimely Insufficiently Documented Claims, the Debtors also object to such Claims on the basis that they were not timely filed pursuant to the Bar Date Order.⁵

⁵ The Bar Date Order provides:

(cont'd)

24. Attached hereto as Exhibit B-1 is a list of the Insufficiently Documented Claims which the Debtors have identified as Claims that do not contain sufficient documentation to permit an understanding of the basis for the claim. Attached hereto as Exhibit B-2 is a list of Untimely Insufficiently Documented Claims which the Debtors have identified as Claims that do not contain sufficient documentation to permit an understanding of the basis for the claim and were not timely filed pursuant to the Bar Date Order.⁶ In the event that this Court does not disallow and expunge these Claims in full, the Debtors expressly reserve all of their rights to further object to any or all of the Insufficiently Documented Claims and Untimely Insufficiently Documented Claims at a later date on any basis whatsoever.

25. Accordingly, the Debtors (a) object to both the Insufficiently Documented Claims and the Untimely Insufficiently Documented Claims and (b) seek entry of an order disallowing and expunging the Insufficiently Documented Claims and Untimely Insufficiently Documented Claims in their entirety.

B. Claims Unsubstantiated By Debtors' Books And Records

26. During the Debtors' review of the Proofs of Claim, the Debtors determined that certain Proofs of Claim assert liabilities or dollar amounts that are not owing pursuant to the

Any Person or Entity which is required to file a Proof of Claim in these chapter 11 cases but that fails to do so in a timely manner on or before the applicable Bar Date shall be forever barred, estopped, and enjoined from (a) asserting any Claim against the Debtors that such Person or Entity has that (i) is in an amount that exceeds the amount, if any, that is set forth in the Schedules as undisputed, non-contingent, and unliquidated or (ii) is of a different nature or in a different classification than as set forth in the Schedules (any such Claim referred to as an "Unscheduled Claim") and (b) voting upon, or receiving distributions under, any plan or plans of reorganization in these chapter 11 cases in respect of an Unscheduled Claim, and the Debtors and their property shall be forever discharged from any and all indebtedness or liability with respect to such Unscheduled Claim.

Bar Date Order ¶ 11.

⁶ None of the Untimely Insufficiently Documented Claims listed on Exhibit B-2 hereto was included as part of the Motion For Order Under Fed. R. Bankr. P. 3003(c)(3) And 9006(b)(1) Deeming Certain Proofs Of Claim Timely Filed, dated September 29, 2006 (Docket No. 5238) ("Claims Timeliness Motion").

Debtors' books and records ("Unsubstantiated Claims"). Additionally, the Debtors determined that certain other Proofs of Claim also assert liabilities or dollar amounts that are not owing pursuant to the Debtors' books and records or, in the alternative, were not timely filed pursuant to the Bar Date Order ("Untimely Unsubstantiated Claims"). The Debtors believe that the parties asserting both Unsubstantiated Claims and Untimely Unsubstantiated Claims are not creditors of the Debtors.

27. The bases for determining that the Debtors are not liable for an asserted Claim include, but are not limited to, the following: (a) the Debtors' books and records reflect that the asserted Claim was properly paid prior to the commencement of the Debtors' cases, (b) the Debtors' books and records do not reflect the existence of the asserted Claim or of the Claimant asserting such Claim, or (c) the Claim has been paid during the course of these proceedings pursuant to an order of the Bankruptcy Court.

28. A claimant's proof of claim is entitled to the presumption of prima facie validity under Bankruptcy Rule 3001(f) only until such time an objecting party refutes "at least one of the allegations that is essential to the claim's legal sufficiency." WorldCom, 2005 WL 3832065, at *4 (quoting Allegheny, 954 F.2d at 174). Once such an allegation is refuted, "the burden reverts to the claimant to prove the validity of the claim by a preponderance of the evidence." Id. The Debtors' books and records refute an essential allegation as to each Unsubstantiated Claim; namely, that the claims asserted therein are owing from any of the Debtors.

29. Attached hereto as Exhibit C-1 is a list of the Unsubstantiated Claims that the Debtors have identified as Claims for which the Debtors are not liable. Attached hereto as Exhibit C-2 is a list of the Untimely Unsubstantiated Claims which the Debtors have identified

as Claims for which the Debtors are not liable. The Debtors object to these Claims as Claims for which the Debtors have no liability and as Claims that were not timely filed pursuant to the Bar Date Order.⁷ In the event that this Court does not disallow and expunge these Claims in full, the Debtors expressly reserve all of their rights to further object to any or all of the Unsubstantiated Claims and Untimely Unsubstantiated Claims at a later date on any basis whatsoever.

30. Accordingly, the Debtors (a) object to both the Unsubstantiated Claims and the Untimely Substantiated Claims and (b) seek entry of an order disallowing and expunging both the Unsubstantiated Claims and Untimely Unsubstantiated Claims in their entirety.

C. Claims Subject To Modification

31. During the Debtors' review of the Proofs of Claim, the Debtors have identified certain Claims asserted against the Debtors that either were denominated in a foreign currency or are overstated, including as a result of the assertion of invalid unliquidated claims ("Claims Subject to Modification"). Based on an initial review of the Claims Subject to Modification, the Debtors have determined that their liability with respect to each such Claim does not exceed the dollar amount set forth on Exhibit D attached hereto. Moreover, the Debtors have determined that such Claims should be classified as set forth on Exhibit D attached hereto.

32. The bases for including the Claims Subject to Modification include, but are not limited to, the following: (a) the asserted Claim was denominated in foreign currency in violation of the Bar Date Order,⁸ (b) the asserted Claim states a claim for unmatured interest or postpetition interest on an unsecured claim, which interest is not is allowed under 11 U.S.C. §§ 502(b)(2), 506(b), (c) the asserted Claim does not account for amounts that may have been paid

⁷ None of the Untimely Unsubstantiated Claims listed on Exhibit C-2 hereto was included as part of the Claims Timeliness Motion.

⁸ See Bar Date Order ¶ 3(d) ("Proofs of Claim must . . . (iv) be denominated in United States currency. . .").

or credited against such Claim prior to the commencement of these cases, (d) the asserted Claim does not account for amounts that may have been paid or credited against such Claim following the commencement of these cases, and (e) the asserted Claim is misclassified as a priority or secured claim. Thus, the Debtors seek to modify the dollar amount of the Claims Subject to Modification to a fully liquidated, U.S.-denominated amount in line with the Debtors' books and records and/or the liquidated amounts requested by the Claimants, as appropriate, and to appropriately classify the Claims.

33. As stated above, a claimant's proof of claim is entitled to the presumption of prima facie validity under Bankruptcy Rule 3001(f) only until such time an objecting party refutes "at least one of the allegations that is essential to the claim's legal sufficiency." WorldCom, 2005 WL 3832065, at *4 (quoting Allegheny, 954 F.2d at 174). As with the Unsubstantiated Claims, the Debtors' books and records refute that certain of the claims asserted in each Claim Subject to Modification are actually owed by any of the Debtors.

34. Set forth on Exhibit D attached hereto is a list of Claims Subject to Modification that the Debtors believe should be modified to solely assert a properly classified, fully liquidated claim amount. For each Claim Subject to Modification, Exhibit D reflects the amount asserted in the Claimant's Proof of Claim in a column titled "Asserted Claim Amount"⁹ and the proposed modified dollar amount of the Claim in a column titled "Modified Claim Amount." The Debtors object to the Asserted Claim Amount for each Claim Subject to Modification on Exhibit D and request that each such Claim be amended to the amount listed as the Modified Claim Amount of the Claim. Thus, no Claimant listed on Exhibit D would be

⁹ As a result of the manner in which Claims are docketed by the Claims Agent, Claims asserted in foreign currency may be listed on Exhibit D as \$0.00. In addition, the Asserted Claim Amount on Exhibit D reflects only asserted liquidated claims.

entitled to a recovery for any Claim Subject to Modification in an amount exceeding the dollar value listed as the Modified Claim Amount for such Claim on Exhibit D, or to assert a classification which is inconsistent with that which is listed on Exhibit D, subject to the Debtors' right to further object to each such Claim Subject to Modification.

35. The inclusion of the Claims Subject to Modification on Exhibit D, however, does not reflect any view by the Debtors as to the ultimate validity of any such Claim. The Debtors therefore expressly reserve all of their rights to further object to any or all of the Claims Subject to Modification at a later date on any basis whatsoever.

36. Accordingly, the Debtors (a) object to the Asserted Claim Amount for the Claims Subject to Modification and (b) seek an order modifying the Claims Subject to Modification to the Modified Claim Amount as set forth on Exhibit D.

Estimation Of Claims

37. Although the Debtors believe that all Claims subject to this Third Omnibus Objection should be disallowed, expunged, or reduced as described above and set forth on Exhibits B-1, B-2, C-1, C-2, and D hereto, as alternative relief, the Debtors request that, to the extent that such Claims assert contingent or unliquidated Claims, this Court estimate such Claims for the purposes of setting a maximum allowable amount of the Claim for all purposes, including voting and distribution, pursuant to section 502(c) of the Bankruptcy Code.

38. As described above, more than 16,000 Proofs of Claim have been timely filed in these chapter 11 cases, asserting liabilities in excess of \$36 billion. As the Debtors have reported, they are currently engaged in framework discussions with their principal stakeholders attempting to reach agreement on the terms and structure of a plan of reorganization in these cases. The Debtors and their key constituents continue to believe that it is important for the

Debtors to emerge from these chapter 11 cases as expeditiously as possible and the Debtors continue to target the first half of 2007 for emergence to occur. In the course of the ongoing framework discussions, it has become clear to all of the participants that the parties' ability to reach agreement on a framework for the Debtors' emergence is predicated upon a clear understanding of the scope of the claims against the Debtors which will ultimately be allowed in these cases. Therefore, it is essential that the Debtors determine the value of asserted Claims as expeditiously as possible.

39. With this need for efficiency in mind, should any of the Debtors' objections to Claims identified for objection in this Third Omnibus Claims Objection not be granted or should the Debtors receive a properly-filed response to an objection from a Claimant and should such claims assert contingent or unliquidated amounts (the "Estimable Claims"), the Debtors request that this Court estimate such Estimable Claims. This estimation would be used for all purposes, including to set the maximum allowable amount of the Estimable Claim for distribution under any future plan of reorganization confirmed and consummated in these cases. The Debtors request that any Estimable Claim estimated by this Court never be allowed in an amount in excess of the estimated amount of such claim.

40. The Debtors further request that this estimate would neither constitute an admission by the Debtors as to the allowability, amount, classification, priority, or merits of any Claim nor be permitted to be used by any party for any other purpose whatsoever. The Debtors would reserve all of their rights with respect to such Estimable Claims, including, without limitation, the right to object to the Estimable Claims on any basis whatsoever, as well as the right to seek to reduce the estimated amount of the Estimable Claim. Nonetheless, the certainty that estimations of the Estimable Claims provides would permit the Debtors to more accurately

determine the likely amount of claims that will be allowed against the Debtors in these chapter 11 cases. Making this assessment would immeasurably enhance the Debtors' ability to reach agreement on a consensual plan of reorganization with their key constituents.

41. There is ample authority for the Court to estimate the Estimable Claims for purposes of a distribution under a plan of reorganization. Indeed, section 502(c) of the Bankruptcy Code provides that the Court shall estimate for purposes of allowance "any contingent or unliquidated claim, the fixing or liquidation of which, as the case may be, would unduly delay the administration of the case." 11 U.S.C. § 502(c); see In re Chateaugay Corp., 944 F.2d 997, 1006 (2d Cir. 1991) (stating that courts should make a "speedy and rough estimation of claims for purposes of determining [claimant's] voice in the Chapter 11 proceeding"); In re Fox, 64 B.R. 148, 151 (Bankr. N.D. Ohio 1986) ("The language of section 502(c) is mandatory and places an affirmative duty on the court to estimate unliquidated claims under proper circumstances").

42. In estimating the Estimable Claims, this Court has broad latitude and may use whatever method is best suited to the contingencies of the case, so long as the procedure is consistent with the fundamental policy of chapter 11 which encourages quick and efficient reorganizations. In re Adelphia Bus. Solutions, Inc., 341 B.R. 415, 422 (Bankr. S.D.N.Y. 2003) (stating that "estimation, authorized under section 502(c) of the Code, provides a means for a bankruptcy court to achieve reorganization, and/or distributions on claims, without awaiting the results of legal proceedings that could take a very long time to determine"); see also Bittner v. Borne Chem. Co., 691 F.2d 134, 134 (3d Cir. 1982) (finding that in estimating value, court is bound by legal rules which may govern ultimate value of claims, but court is not limited in its authority to evaluate claims except for general principles which should inform all decisions made

under Bankruptcy Code). Moreover, because neither the Bankruptcy Code nor the Bankruptcy Rules prescribe any method for estimating claims, bankruptcy courts have employed a variety of claim estimation methods depending on what best suits the particular circumstances of a case. In re Ralph Lauren Womenswear, Inc., 197 B.R. 771, 775 (Bankr. S.D.N.Y. 1996) (applying probability of success test, which requires court to estimate claims according to present value of probability of success); In re Kaplan, 186 B.R. 871 874 (Bankr. D.N.J. 1995) (estimating unliquidated guarantee claim at \$0 under section 502(c)(1)); In re Windsor Plumbing Supply Co., Inc., 170 B.R. 503, 520 (Bankr. E.D.N.Y. 1994) (stating that estimated value of claim should be amount of claim diminished by probability that it may be sustainable only in part or not at all).

43. As discussed above, the Debtors and their key constituents continue to believe that it is important for the Debtors to emerge from these chapter 11 cases as expeditiously as possible. The Debtors' emergence is predicated on a clear understanding of the scope of the claims against the Debtors that will ultimately be allowed in these cases. Absent the estimation of the Estimable Claims for the purposes of setting a maximum allowable amount of the Claim for distribution purposes, the Debtors' framework discussions with their principal stakeholders may be significantly impeded and the Debtors' ability to reach agreement on the terms and structure of a plan of reorganization in these cases may be significantly delayed.

Separate Contested Matters

44. To the extent that a response is filed with respect to any Claim listed in this Third Omnibus Claims Objection and the Debtors are unable to resolve the response prior to the hearing on this objection, the Debtors request that each such Claim and the objection to such Claim asserted in this Third Omnibus Claims Objection be deemed to constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. The Debtors further request that

any order entered by the Court with respect to an objection asserted in this Third Omnibus Claims Objection be deemed a separate order with respect to each Claim.

Reservation Of Rights

45. The Debtors expressly reserve the right to amend, modify, or supplement this Third Omnibus Claims Objection and to file additional objections to the Proofs of Claim or any other Claims (filed or not) which may be asserted against the Debtors, including without limitation the right to object to any claim on the basis that it has been asserted against the wrong Debtor entity. Should one or more of the grounds for objection stated in this Third Omnibus Claims Objection be dismissed, the Debtors reserve their rights to object on other stated grounds or on any other grounds that the Debtors discover during the pendency of these cases. In addition, the Debtors reserve the right to seek further reduction of any Claim to the extent that such Claim has been paid.

AND (II) CERTAIN NOTICES AND PROCEDURES GOVERNING HEARINGS
REGARDING DISALLOWANCE OR ESTIMATION OF CLAIMS

("CLAIM OBJECTION AND ESTIMATION PROCEDURES MOTION")

Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates (the "Affiliate Debtors"), debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), hereby submit this Motion For Order Pursuant To 11 U.S.C. §§ 502(b) And 502(c) And Fed. R. Bankr. P. 2002(m), 3007, 7016, 7026, 9006, 9007, And 9014 Establishing (i) Dates For Hearings Regarding Disallowance Or Estimation Of Claims And (ii) Certain Notices And Procedures Governing Hearings Regarding Disallowance Or Estimation Of Claims (the "Motion"). In support of this Motion, the Debtors respectfully represent as follows:

Background

A. The Chapter 11 Filings

1. On October 8 and 14, 2005, Delphi and certain of its U.S. subsidiaries and affiliates filed voluntary petitions in this Court for reorganization relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as amended (the "Bankruptcy Code"). The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. This Court entered orders directing the joint administration of the Debtor's chapter 11 cases.

2. No trustee or examiner has been appointed in the Debtors' cases. On October 17, 2005, the Office of the United States Trustee (the "U.S. Trustee") appointed an official committee of unsecured creditors. On April 28, 2006, the U.S. Trustee appointed an official committee of equity holders.

3. This Court has jurisdiction over this objection pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding under 28 U.S.C. § 157(b)(2).

4. The statutory predicates for the relief requested herein are sections 502(b) and 502(c) of the Bankruptcy Code and Rules 2002(m), 3007, 7016, 7026, 9006, 9007, and 9014 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

B. Current Business Operations Of The Debtors

5. As of December 31, 2005, Delphi and its subsidiaries and affiliates (collectively, the "Company") had global 2005 net sales of approximately \$26.9 billion and global assets of approximately \$17.0 billion.¹ At the time of its chapter 11 filing, Delphi ranked as the fifth largest public company business reorganization in terms of revenues, and the thirteenth largest public company business reorganization in terms of assets. Delphi's non-U.S. subsidiaries are not chapter 11 debtors and continue their business operations without supervision from the Bankruptcy Court.

6. The Company is a leading global technology innovator with significant engineering resources and technical competencies in a variety of disciplines, and is one of the largest global suppliers of vehicle electronics, transportation components, integrated systems and modules, and other electronic technology. The Company supplies products to nearly every major global automotive original equipment manufacturer.

7. Delphi was incorporated in Delaware in 1998 as a wholly-owned subsidiary of General Motors Corporation ("GM"). Prior to January 1, 1999, GM conducted the Company's business through various divisions and subsidiaries. Effective January 1, 1999, the assets and liabilities of these divisions and subsidiaries were transferred to the Company in accordance with the terms of a Master Separation Agreement between Delphi and GM. In

connection with these transactions, Delphi accelerated its evolution from a North American-based, captive automotive supplier to a global supplier of components, integrated systems, and modules for a wide range of customers and applications. Although GM is still the Company's single largest customer, today more than half of Delphi's revenue is generated from non-GM sources.

C. Events Leading To The Chapter 11 Filing

8. In the first two years following Delphi's separation from GM, the Company generated approximately \$2 billion in net income. Every year thereafter, however, with the exception of 2002, the Company has suffered losses. In calendar year 2004, the Company reported a net loss of approximately \$4.8 billion on \$28.6 billion in net sales.² Reflective of a continued downturn in the marketplace, in 2005 Delphi incurred net losses of approximately \$2.4 billion on net sales of \$26.9 billion.

9. The Debtors believe that the Company's financial performance has deteriorated because of (a) increasingly unsustainable U.S. legacy liabilities and operational restrictions driven by collectively bargained agreements, including restrictions preventing the Debtors from exiting non-profitable, non-core operations, all of which have the effect of creating largely fixed labor costs, (b) a competitive U.S. vehicle production environment for domestic OEMs resulting in the reduced number of motor vehicles that GM produces annually in the United States and related pricing pressures, and (c) increasing commodity prices.

10. In light of these factors, the Company determined that it would be imprudent and irresponsible to defer addressing and resolving its U.S. legacy liabilities, product

² Reported net losses in calendar year 2004 reflect a \$4.1 billion tax charge, primarily related to the recording of a valuation allowance on the U.S. deferred tax assets as of December 31, 2004. The Company's net operating loss in calendar year 2004 was \$482 million.

portfolio, operational issues, and forward-looking revenue requirements. Because discussions with its major unions and GM had not progressed sufficiently by the end of the third quarter of 2005, the Company commenced these chapter 11 cases for its U.S. businesses to complete the Debtors' transformation plan and preserve value for its stakeholders.

D. The Debtors' Transformation Plan

11. On March 31, 2006, the Company outlined the key tenets of its transformation plan. The Company believes that this plan will enable it to return to stable, profitable business operations and allow the Debtors to emerge from these chapter 11 cases in the first half of 2007. To complete their restructuring process, the Debtors must focus on five key areas. First, Delphi must modify its labor agreements to create a competitive arena in which to conduct business. Second, the Debtors must conclude their negotiations with GM to finalize GM's financial support for the Debtors' legacy and labor costs and to ascertain GM's business commitment to the Company. Third, the Debtors must streamline their product portfolio to capitalize on their world-class technology and market strengths and make the necessary manufacturing alignment with their new focus. Fourth, the Debtors must transform their salaried workforce to ensure that the Company's organizational and cost structure is competitive and aligned with its product portfolio and manufacturing footprint. Finally, the Debtors must devise a workable solution to their current pension situation.

12. Upon the conclusion of the reorganization process, the Debtors expect to emerge as a stronger, more financially sound business with viable U.S. operations that are well-positioned to advance global enterprise objectives. In the meantime, Delphi will marshal all of its resources to continue to deliver high-quality products to its customers globally. Additionally, the Company will preserve and continue the strategic growth of its non-U.S. operations and maintain its prominence as the world's premier auto supplier.

E. Bar Date, Proofs Of Claim, And Omnibus Claims Objections

13. On April 12, 2006, this Court entered an Order Under 11 U.S.C. §§ 107(b), 501, 502, And 1111(a) And Fed R. Bankr. P. 1009, 2002(a)(7), 3003(c)(3), And 5005(a) Establishing Bar Dates For Filing Proofs Of Claim And Approving Form And Manner Of Notice Thereof (Docket No. 3206) (the "Bar Date Order"). Among other things, the Bar Date Order established July 31, 2006 (the "Bar Date") as the last date for all persons and entities holding or wishing to assert "Claims," as such term is defined in 11 U.S.C. § 101(5), against a Debtor (collectively, the "Claimants") to file a proof of claim form (the "Proofs of Claim") with respect to each such Claim.

14. On or prior to April 20, 2006, Kurtzman Carson Consultants, LLC, the claims and noticing agent in these cases (the "Claims Agent"), provided notice of the Bar Date by mailing a notice of bar date approved by this Court (the "Bar Date Notice"), together with a proof of claim form, upon (a) the persons or entities set forth in the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and Statements") filed with this Court on January 20, 2006 (and subsequently amended on February 1, 2006 and April 18, 2006) and (b) the persons and entities included in the notice database compiled by the Debtors, but not listed on any of the Schedules and Statements. In total, the Debtors provided Bar Date Notices to more than 500,000 persons and entities.

15. In addition, the Debtors published the Bar Date Notice in the New York Times (National Edition), the Wall Street Journal (National, European, and Asian Editions), USA Today (Worldwide Edition), the Automotive News (National Edition), and in local editions of the following: the Adrian Daily Telegram, the Arizona Daily Star, the Buffalo News, the Chicago Sun Times, the Clinton News, the Columbia Dispatch, the Daily Leader, Dayton Daily News, the Detroit Free Press, the El Paso Times, the Fitzgerald Herald Leader, the Flint Journal,

the Gadsden Times, the Grand Rapids Press, the Greenville News, the Indianapolis Star, the Kansas City Star, the Kokomo Tribune, the Lansing State Journal, the Laurel Leader, the Los Angeles Daily News, the Milwaukee Journal Sentinel, the Mobile Beacon, the Mobile Register, the Oakland Press, the Olathe Daily News, the Rochester Democrat and Chronicle, the Saginaw News, the Sandusky, the Tribune Chronicle, the Tulsa World, the Tuscaloosa News, and the Vindicator, and electronically through posting on the Delphi Legal Information Website, www.delphidocket.com, on or before April 24, 2006.

16. Approximately 16,000 proofs of claim have been timely filed against the Debtors in these cases (the "Proofs of Claim"). Collectively, the Proofs of Claim assert liquidated claims of more than \$36 billion against the Debtors. In addition, more than 6,000 Proofs of Claim assert additional unliquidated claims against the Debtors. Although the Debtors have not completed the process of reconciling the Proofs of Claim, the Debtors believe that the Proofs of Claim dramatically overstate the Debtors' prepetition obligations.

17. On September 19, 2006, the Debtors filed the First Omnibus Objection Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (i) Duplicate And Amended Claims And (ii) Equity Claims ("First Omnibus Claims Objection"). In the First Omnibus Claims Objection, the Debtors objected to approximately 3,500 of the Proofs of Claim asserting liquidated claims of approximately \$1.7 billion against the Debtors, which claims consisted of duplicative, amended, or superseded claims and claims filed by holders of Delphi common stock solely on account of their stock holdings. On October 24, 2006, the Court entered an order disallowing and expunging most of the claims subject to the First Omnibus Claims Objection.

18. Contemporaneously herewith, the Debtors are filing their Second Omnibus Objection (Procedural) Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (i) Equity Claims, (ii) Claims Duplicative Of Consolidated Trustee Or Agent Claims, And (iii) Duplicate And Amended Claims (the "Second Omnibus Claims Objection"). In the Second Omnibus Claims Objection, the Debtors object to and seek disallowance of 2,853 of the Proofs of Claim. The Proofs of Claim covered by the Second Omnibus Claims Objection assert liquidated claims of approximately \$5.7 billion against the Debtors.

19. Contemporaneously herewith, the Debtors are also filing the Debtors' (i) Third Omnibus Objection (Substantive) Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (a) Claims With Insufficient Documentation, (b) Claims Unsubstantiated By Debtors' Books And Records, And (c) Claims Subject To Modification And (ii) Motion To Estimate Contingent And Unliquidated Claims Pursuant To 11 U.S.C. § 502(c) (the "Third Omnibus Claims Objection"). In the Third Omnibus Claims Objection, the Debtors object to and seek disallowance of 1,017 of the Proofs of Claim. To the extent that a Proof of Claim included in the Third Omnibus Claims Objection asserts contingent or unliquidated claims, the Debtors seek estimation of such Proof of Claim pursuant to section 502(c) of the Bankruptcy Code. The Proofs of Claim covered by the Third Omnibus Claims Objection assert liquidated claims of approximately \$1.3 billion against the Debtors.

Relief Requested

20. By this Motion, the Debtors seek entry of an order pursuant to 11 U.S.C. § 502(b) and 502(c) and Bankruptcy Rules 2002(m), 3007, 7016, 7026, 9006, 9007, and 9014 (a) scheduling special hearings to consider contested claims matters, (b) establishing certain procedures governing the filing and contents of responses of claimants to omnibus claims

objections, (c) approving certain procedures for the service of omnibus claims objections, (d) approving certain procedures governing the adjudication of contested claims matters, and (e) directing the Claims Agent to limit service of orders entered with respect to omnibus claims objections to avoid unnecessary costs to the Debtors' estates.

Basis For Relief

21. As described above, more than 16,000 Proofs of Claim have been timely filed in these chapter 11 cases, asserting liabilities in excess of \$36 billion. As the Debtors have reported, they are currently engaged in framework discussions with their principal stakeholders attempting to reach agreement on the terms and structure of a plan of reorganization in these cases. The Debtors and their key constituents continue to believe that it is important for the Debtors to emerge from these chapter 11 cases as expeditiously as possible and the Debtors continue to target the first half of 2007 for emergence to occur. In the course of the ongoing framework discussions, it has become clear to all of the participants that the parties' ability to reach agreement on a framework for the Debtors' emergence is predicated upon a clear understanding of the scope of the claims against the Debtors which will ultimately be allowed in these cases.

22. Therefore, after examining the number and amount of the Proofs of Claim, the Debtors and their professionals established a comprehensive strategy to address on an expedited basis the significant number of improperly filed, baseless, and overstated Proofs of Claim. As stated above, the Debtors have already filed three omnibus objections to claims, seeking disallowance of more than 7,000 of the Proofs of Claim. The Debtors continue to conduct an expedited claims analysis, reconciliation, and objection process and expect this process to continue for an extended period of time.

23. To further hasten claims reconciliation and administration, the Debtors hereby request that this Court establish special periodic hearings (the "Claims Hearings") to consider contested claims objections and requests to estimate contingent and unliquidated claims pursuant to section 502(c) of the Bankruptcy Code. The Debtors further request that this Court approve procedures governing motion practice, discovery, and the conduct of the Claims Hearings.

A. The Claims Hearings

24. Pursuant to the Amended Eighth Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. R. Bankr. P. 2002(m), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures, entered on October 26, 2006 (the "Amended Eighth Supplemental Case Management Order") (Docket No. 5418) and its predecessors, this Court established monthly omnibus hearings (the "Omnibus Hearings") in these cases. Given the size and complexity of these cases, there are frequently dozens of discrete matters scheduled for hearing at any given Omnibus Hearing.

25. In light of the limited amount of time available at each Omnibus Hearing and the amount of this Court's time that the Debtors anticipate will be necessary to hear objections or to estimate the Proofs of Claim, the Debtors request that this Court set separate Claims Hearings to consider contested claims matters. Specifically, the Debtors request that this Court set Claims Hearings for the following dates and times:

26. In the first instance, the Debtors propose to schedule the return date for omnibus claims objections for hearing at Omnibus Hearings. For Proofs of Claim subject to an omnibus claims objection and with respect to which no response is filed in accordance with the proposed response procedures outlined below, or with respect to which a response is filed in accordance with the proposed response procedures but is resolved prior to the hearing thereon, the Debtors anticipate requesting that this Court enter an order sustaining their objection with respect to, and, for most Proofs of Claim, disallowing and expunging, such Proofs of Claim. For

Proofs of Claim as to which a response is filed in accordance with the proposed response procedures (each, a "Contested Claim"), the Debtors expect to request that the hearing on the objection to such Contested Claim be adjourned and set for a contested hearing at a Claims Hearing to be scheduled as set forth below.

B. Responses To Objections

27. The Debtors request that this Court set certain procedures governing the filing and contents of responses of claimants to claims objections or omnibus claims objections (the "Responses"). Specifically, the Debtors request that this Court require that any Response (a) be in writing, (b) conform to the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules for the Southern District of New York, and the Amended Eighth Supplemental Case Management Order, (c) be filed with the Bankruptcy Court in accordance with General Order M-242 (as amended) – registered users of the Bankruptcy Court's case filing system must file electronically, and all other parties-in-interest must file on a 3.5 inch disk (preferably in Portable Document Format (PDF), WordPerfect, or any other Windows-based word processing format), (d) be submitted in hard copy form directly to the chambers of the Honorable Robert D. Drain, United States Bankruptcy Judge, United States Bankruptcy Court for the Southern District of New York, One Bowling Green, Room 610, New York, New York 10004, and (e) be served upon (i) Delphi Corporation, 5725 Delphi Drive, Troy, Michigan 48098 (Att'n: General Counsel), (ii) counsel to the Debtors, Skadden, Arps, Slate, Meagher & Flom LLP, 333 West Wacker Drive, Suite 2100, Chicago, Illinois 60606 (Att'n: John Wm. Butler, Jr.), (iii) counsel to the agent under the Debtors' prepetition credit facility, Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, New York 10017 (Att'n: Kenneth S. Ziman), (iv) counsel to the agent under the postpetition credit facility, Davis Polk & Wardwell, 450 Lexington Avenue, New York, New York 10017 (Att'n: Donald Bernstein and Brian Resnick), (v) counsel to the Official Committee

of Unsecured Creditors, Latham & Watkins LLP, 885 Third Avenue, New York, New York 10022 (Att'n: Robert J. Rosenberg and Mark A. Broude), (vi) counsel to the Official Committee of Equity Security Holders, Fried, Frank, Harris, Shriver & Jacobson LLP, One New York Plaza, New York, New York 10004 (Att'n: Bonnie Steingart), and (vii) the Office of the United States Trustee for the Southern District of New York, 33 Whitehall Street, Suite 2100, New York, New York 10004 (Att'n: Alicia M. Leonhard) in each case so as to be received no later than 4:00 p.m. (prevailing Eastern time) on the seventh calendar day prior to the Omnibus Hearing for which the relevant omnibus claims objection is scheduled.

28. The Debtors further request that this Court require that every Response contain at a minimum the following:

(a) a caption setting forth the name of the Court, the names of the Debtors, the case number and the title of the omnibus claims objection to which the Response is directed;

(b) the name of the claimant and a description of the basis for the amount of the Claim;

(c) a concise statement setting forth the reasons why the Claim should not be disallowed, expunged, reduced, or reclassified for the reasons set forth in the omnibus claims objection, including, but not limited to, the specific factual and legal bases upon which the Claimant will rely in opposing the omnibus claims objection;

(d) all documentation or other evidence of the Claim upon which the Claimant will rely in opposing the omnibus claims objection to the extent not included with the Proof of Claim previously filed with the Court;

(e) to the extent that the Claim is contingent or fully or partially unliquidated, the amount that the Claimant believes would be the allowable amount of such Claim upon liquidation of the Claim or occurrence of the contingency, as appropriate;

(f) the address(es) to which the Debtors must deliver any reply to the Response, if different from the address(es) presented in the Proof of Claim; and

(g) the name, address, and telephone number of the person (which may be the Claimant or his/her/its legal representative) possessing ultimate authority to reconcile, settle, or otherwise resolve the Claim on behalf of the Claimant.

29. The Debtors further request that only those Responses made in writing and timely filed and received be considered by the Court at any hearing on the relevant objection. The Debtors also request that this Court order that, if a Claimant whose Claim is subject to a claims objection and who is served with the relevant claims objection fails to file and serve a timely Response in compliance with the foregoing procedures, the Debtors may present to the Court an appropriate order seeking relief with respect to such Claim consistent with the relief sought in the relevant claims objection without further notice to the Claimant.

30. To the extent that a Contested Claim would be subject to estimation pursuant to section 502(c) of the Bankruptcy Code and the Debtors have sought authority to estimate such Contested Claim, if the Claimant has filed a Response in accordance with the procedures outlined above which (a) acknowledges that the Contested Claim is contingent or fully or partially unliquidated and (b) provides the amount that the Claimant believes would be the allowable amount of such Contested Claim upon liquidation of the Contested Claim or occurrence of the contingency, as appropriate (the "Claimant's Asserted Estimated Amount"), the Debtors respectfully request authorization, in their sole discretion, to elect to provisionally accept the Claimant's Asserted Estimated Amount as the estimated amount of such Contested Claim pursuant to section 502(c) of the Bankruptcy Code for all purposes, subject to further objection and reduction as appropriate, by providing notice as described more fully below.

31. Finally, to the extent that a response is filed with respect to any Claim listed in a claims objection and the Debtors are unable to resolve the response prior to the hearing on such objection, the Debtors request that the objection to such Claim asserted in the omnibus claims objection be deemed to constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. The Debtors further request that any order entered by the Court with

respect to an objection asserted in an omnibus claims objection be deemed a separate order with respect to each Claim.

32. In addition to applying to each claims objection filed by the Debtors from and after the entry of the order, the Debtors also respectfully request that this Court approve the application of the above Response procedures to the Second Omnibus Claims Objection and the Third Omnibus Claims Objection.

C. Replies To Responses

33. Consistent with the provisions of the Amended Eighth Supplemental Case Management Order, the Debtors further request that this Court confirm that the Debtors may, at their option, file and serve a reply to the Response of any Claimant no later than 4:00 p.m. (prevailing Eastern time) on the day immediately preceding the date of any hearing on the subject claims objection.

D. Service Of Omnibus Claims Objections And Omnibus Claims Objection Orders

34. As a result of the significant number of proofs of claim filed in these chapter 11 cases, the service of omnibus claims objections, as well as orders entered with respect thereto, is a significant expense to the estates. For example, the Debtors' First Omnibus Claims Objection objected to approximately 3,500 Proofs of Claim and contained more than 500 pages including exhibits. The cost of having the Claims Agent serve each Claimant having filed a Proof of Claim covered by the First Omnibus Claims Objection with the complete Objection including exhibits would have been approximately \$200,000. For each of the first three omnibus claims objections, therefore, the Debtors instead served upon each Claimant a complete copy of the relevant omnibus claims objection, without exhibits, as well as a personalized Notice Of Objection To Claim which specifically identified the Claimant's Proof of Claim that was subject to objection and the basis for such objection. Claimants were advised in the objection that they

could nonetheless review the exhibits to the objection in their entirety free of charge by accessing the Debtors' Legal Information Website. Service of a personalized Notice of Objection upon each Claimant rather than a lengthy exhibit saved the Debtors' estates approximately \$175,000 with respect to service of the First Omnibus Claims Objection. Although the Court retroactively approved the Debtors' use of personalized Notices Of Objection To Claim pursuant to the order sustaining the First Omnibus Claims Objection, out of an abundance of caution, the Debtors seek approval of this notice procedure prospectively with respect to all future omnibus claims objections.

35. Similarly, the order (the "First Omnibus Claims Order") sustaining the First Omnibus Claims Objection including exhibits was approximately 475 pages in length. The cost to serve such order on each Claimant covered thereby would thus also be substantial. Consistent with Bankruptcy Rule 9022, the Debtors respectfully request that this Court direct the Claims Agent to serve orders entered with respect to omnibus claims objections, including exhibits, only on the master service list and the 2002 list. The Debtors further request that this Court direct the Claims Agent to serve all Claimants whose Proofs of Claim are the subject of an order entered with respect to an omnibus claims objection with a copy of such order, without exhibits, and a personalized Notice Of Entry Of Order in the form attached hereto as Exhibit A specifically identifying the Claimant's Proof of Claim that is subject to the order, the Court's treatment of such Proof of Claim, and the basis for such treatment. The proposed Notice Of Entry Of Order would also advise the Claimant of its ability to view the order with exhibits free of charge on the Debtors' Legal Information Website. The Claims Agent has not yet provided parties with service of the First Omnibus Claims Order in the manner outlined above, and the Debtors therefore request that the Court direct the Claims Agent to serve the First Omnibus

Claims Order, as well as any subsequent orders respecting claims, in accordance with the procedures outlined above.

E. Contested Claims Hearing Procedures

36. The Debtors anticipate that they will likely be able to consensually resolve the vast majority of Contested Claims, although the negotiation of such resolutions may frequently not be completed prior to the Omnibus Hearing for which the objection is initially scheduled. Therefore, to allow the maximum number of Contested Claims to be consensually resolved and to avoid overburdening this Court with relatively minor claims disputes, the Debtors request permission to schedule individual Contested Claims for hearing at a Claims Hearing. Specifically, the Debtors request that this Court approve the following procedures for adjudicating Contested Claims (the "Claims Hearing Procedures"):

(a) Adjournment To Claims Hearing.

(i) The Debtors, in their sole discretion, would adjourn the hearing on each Contested Claim to a Claims Hearing of the Debtors' election by providing the Claimant with a notice identifying the date and type following the filing of the Response:

(1) for a non-evidentiary hearing to address the legal sufficiency of the particular proof of claim and whether the proof of claim states a colorable claim against the asserted Debtor (a "Sufficiency Hearing"),³ by providing the relevant Claimant with, and filing with this Court, a notice substantially in the form attached hereto as Exhibit B at least ten calendar days prior to the date of such Sufficiency Hearing,

(2) to the extent such Contested Claim is unliquidated or contingent, for a hearing to estimate the Contested Claim for all purposes, including voting and distribution, pursuant to section 502(c) of the Bankruptcy Code (an "Estimation Hearing"), by providing the relevant Claimant with, and filing with this Court, a notice substantially in the form attached hereto

³ The standard of review that the Debtors propose to be applied by the Court at a Sufficiency Hearing would be equivalent to the standard applied by the Court upon a motion to dismiss for failure to state a claim.

as Exhibit C (the "Notice Of Adjourned Estimation Hearing") at least 45 days prior to the date of such Estimation Hearing,⁴ or

(3) for an evidentiary hearing on the merits of such Contested Claim (an "Claims Objection Hearing"), by providing the relevant Claimant with, and filing with this Court, a notice substantially in the form attached hereto as Exhibit D (the "Notice Of Adjourned Claims Objection Hearing") at least 45 days prior to the date of such Claims Objection Hearing.

(ii) The Debtors, in their sole discretion, would be authorized to further adjourn a hearing scheduled in accordance herewith at any time by providing notice to the Court and the Claimant at least five business days prior to the date of the scheduled hearing.

(b) Sufficiency Hearing Procedures.

(i) To the extent that a Contested Claim is adjourned by the Debtors to a Sufficiency Hearing, the Debtors would file and serve their Supplemental Reply no later than ten calendar days before the scheduled Sufficiency Hearing. The Supplemental Reply would be limited to fifteen single-sided, double-spaced pages.

(ii) To the extent that a Contested Claim is adjourned by the Debtors to a Sufficiency Hearing, the Claimant would file and serve its Supplemental Response no later than three calendar days before the scheduled Sufficiency Hearing. The Supplemental Response would be limited to fifteen single-sided, double-spaced pages.

(iii) The Court, in considering whether to grant the relief sought by the Debtors with respect to such Contested Claim, would rely solely on (a) the Claimant's Proof of Claim, Response, and Supplemental Response (if any), (b) the Debtors' omnibus claims objection, reply, and Supplemental Reply (if any), and (c) the Claimant's and the Debtors' arguments at the Sufficiency Hearing.

(iv) To the extent that the Court determines upon conclusion of such Sufficiency Hearing that such Contested Claim cannot be disallowed without further proceedings, the Debtors, in their sole discretion, could elect to estimate or seek disallowance of the Contested Claim pursuant to the procedures set forth herein with respect to an Estimation Hearing or Claims Objection Hearing.

⁴ Consistent with 28 U.S.C. § 157(b)(2)(B), the Debtors do not seek to estimate, or to set for an Estimation Hearing, any contingent or unliquidated personal injury tort or wrongful death claims asserted against the Debtors' estates.

(c) Mandatory Meet And Confer.

(i) To the extent that a Contested Claim (A) exceeds \$250,000 or asserts unliquidated claims and (B) is scheduled by the Debtors for either an Estimation Hearing or a Claims Objection Hearing, the Debtors and the relevant Claimant (unless such Claimant irrevocably agrees in writing that the allowed amount of such Contested Claim shall be limited to a maximum of \$250,000) would be required to hold an in-person meet and confer (an "In-Person Meet and Confer") at a neutral location in Troy, Michigan, or such other location as is reasonably acceptable to the Debtors within five business days of service of the Notice Of Adjourned Estimation Hearing or Notice Of Adjourned Claims Objection, as appropriate.

(ii) To the extent that (A) a Contested Claim is less than or equal to \$250,000 or asserts unliquidated claims and the Claimant with respect thereto irrevocably agrees in writing that the allowed amount of such Contested Claim shall be limited to a maximum of \$250,000, and (B) is scheduled by the Debtors for either an Estimation Hearing or a Claims Objection Hearing, and the Claimant asserting a Contested Claim that would otherwise require an In-Person Meet and Confer pursuant to clause (c)(i) demonstrates good cause why an In-Person Meet and Confer would be unduly burdensome, the Debtors and the relevant Claimant would be required to hold telephonic meet and confer (a "Telephonic Meet and Confer" and, collectively with In-Person Meet and Confers, the "Meet and Confers") within five business days of service of the Notice Of Adjourned Estimation Hearing or Notice Of Adjourned Claims Objection, as appropriate.

(iii) The following representatives of each of the Debtors and the Claimant would be required to attend a Meet and Confer: (A) counsel for each of the parties, except for a Claimant proceeding pro se, and (B) a person possessing ultimate authority to reconcile, settle, or otherwise resolve the Contested Claim on behalf of the Debtors and the Claimant, respectively.

(iv) Failure by the Claimant to participate in a Meet and Confer within five business days of service of the Notice Of Adjourned Estimation Hearing or Notice Of Adjourned Claims Objection, as appropriate, would constitute grounds for disallowance and expungement of the Contested Claim.

(d) Claimant's Supplemental Response. To the extent that the Debtors schedule an Estimation Hearing or a Claims Objection Hearing for a Contested Claim, the following procedures would apply to the Claimant's written supplemental response (the "Supplemental Response"):

(i) The Claimant would be required to file and serve its Supplemental Response no later than five business days after conclusion of the

Meet and Confer. The Supplemental Response would be limited to fifteen single-sided, double-spaced pages (exclusive of exhibits or affidavits).

(ii) If the Claimant relies on exhibits, the Claimant would be required to include such exhibits in its Supplemental Response (other than those previously included with either its Proof of Claim or its Response). If a Contested Claim is based upon a contract or other agreement that was not attached to the Proof of Claim or the Response, the Claimant would be required to include such contract as an exhibit to the Supplemental Response. The Claimant would be required to include a certificate of counsel or a declaration or affidavit authenticating any documents attached to the Supplemental Response.

(iii) The Supplemental Response could include affidavits or declarations from no more than two witnesses setting forth the basis of the Contested Claim and evidence supporting the Contested Claim. The Claimant would be required to have any witnesses whose affidavits or declarations are submitted with the Supplemental Response present at the Estimation Hearing or the Claims Objection Hearing, as appropriate. The Claimant would not be permitted to elicit any direct testimony of those witnesses at the Estimation Hearing or the Claims Objection Hearing, as appropriate; instead, the affidavit or declaration submitted with the Supplemental Response would serve as the witnesses' direct testimony and the Debtors would be allowed to cross examine the witnesses at the Estimation Hearing or the Claims Objection Hearing, as appropriate. No other or additional witnesses would be allowed to introduce evidence at the hearing on behalf of the Claimant.

(iv) No later than three business days prior to commencement of the Estimation Hearing or Claims Objection Hearing, as appropriate, the Claimant could file a supplemental affidavit or declaration on behalf of each of its two witnesses solely for the purpose of supplementing such witness' prior affidavit or declaration with respect to matters adduced through the discovery provided by these Claims Hearing Procedures.

(e) Debtors' Supplemental Reply. To the extent that the Debtors schedule an Estimation Hearing or a Claims Objection Hearing with respect to a Contested Claim, the following procedures would apply to the Debtors' written supplemental reply, if any (the "Supplemental Reply"):

(i) The Debtors could file and serve a Supplemental Reply no later than 20 business days prior to commencement of the Estimation Hearing or the Claims Objection Hearing, as appropriate. The Supplemental Reply would be limited to fifteen single-sided, double-spaced pages (exclusive of exhibits or affidavits).

(ii) If the Debtors rely on exhibits, the Debtors would have to include such exhibits in their Supplemental Reply other than those previously included with either their objection or reply. The Debtors would be

required to include a certificate of counsel or a declaration or affidavit authenticating any documents attached to the Supplemental Reply.

(iii) The Supplemental Reply could include affidavits or declarations from no more than two witnesses setting forth the Debtors' basis for objecting to the Contested Claim and evidence in support of such objection or in support of their proposed estimated amount of the Contested Claim. The Debtors would be required to have any witnesses whose affidavits or declarations are submitted with the Supplemental Reply present at the Estimation Hearing or the Claims Objection Hearing, as appropriate. The Debtors would not be permitted to elicit any direct testimony of those witnesses at the Estimation Hearing or the Claims Objection Hearing, as appropriate; instead, the affidavit or declaration submitted with the Supplemental Reply would serve as the witnesses' direct testimony and the Claimant would be allowed to cross examine the witnesses at the Estimation Hearing or the Claims Objection Hearing, as appropriate. No other or additional witnesses would be allowed to introduce evidence at the hearing on behalf of the Debtors.

(iv) No later than three business days prior to commencement of the Estimation Hearing or Claims Objection Hearing, as appropriate, the Debtors could file a supplemental affidavit or declaration on behalf of each of their two witnesses solely for the purpose of supplementing such witness' prior affidavit or declaration with respect to matters adduced through the discovery provided by these Claims Hearing Procedures.

(f) Mandatory Non-Binding Summary Mediation. At least 15 business days prior to commencement of the Estimation Hearing or the Claims Objection Hearing, as appropriate, the Debtors and the Claimant would submit to mandatory non-binding summary mediation (each, a "Mediation") in an effort to resolve the outstanding objection consensually or determine an agreed estimated amount of the Contested Claim. The following procedures would apply to Mediation:

(i) Each Mediation would be assigned to one of the approved mediators at the Debtors' discretion (each, a "Mediator").⁵

(ii) The Mediator would consider a record consisting only of the contents of the Contested Claim, the Debtors' omnibus claims objection and/or motion to estimate, the Claimant's Response, the Debtors' reply, the Claimant's Supplemental Response, the Debtors' Supplemental Reply, and any other relevant pleadings filed by the Debtors or the Claimant prior to the commencement of the Mediation. The Mediator would not have the authority to require either the Debtors or the Claimant to provide any additional briefing with respect to the Mediation.

⁵ The Debtors propose to file a proposed listed of mediators no later than November 16, 2006.

(iii) To the extent that a Contested Claim exceeds \$250,000 or asserts unliquidated claims (unless the Claimant with respect thereto irrevocably agrees in writing that the allowed amount of such Contested Claim shall be limited to a maximum of \$250,000), the Mediation would be required to be held at a neutral location in Troy, Michigan or such other location as is reasonably acceptable to the Debtors in their sole discretion.

(iv) To the extent that the Contested Claim is less than or equal to \$250,000 or asserts unliquidated claims and the Claimant with respect thereto irrevocably agrees in writing that the allowed amount of such Contested Claim shall be limited to a maximum of \$250,000, the Mediation could be held telephonically at either the Debtors' or the Claimant's request.

(v) The following representatives of each of the Debtors and the Claimant would be required to attend the Mediation: (A) counsel for each of the parties, except for a Claimant proceeding pro se, and (B) a person possessing ultimate authority to reconcile, settle, or otherwise resolve the Contested Claim on behalf of the Debtors and the Claimant, respectively.

(vi) If no consensual agreement is reached for settlement of the Debtors' objection or on an estimate of the Contested Claim, as appropriate, and the parties agree or the Mediator determines that further Mediation is not likely to yield such an agreement, the Claimant and the Debtors, or the Mediator, as the case may be, would be required to sign a statement that the Contested Claim could not be settled after a good faith effort.

(vii) Failure by the Claimant to participate in a Mediation would constitute grounds for disallowance and expungement of the Contested Claim.

(viii) The Debtors and the Claimant would each bear its own costs in participating in the Mediation. The Debtors would be authorized to pay the Mediator's fees.

(g) Estimation And Claims Objection Hearing Discovery. To the extent that the Debtors set a Contested Claim for an Estimation Hearing or a Claims Objection Hearing, the Debtors and the Claimant would be bound by the following discovery procedures:

(i) No later than five business days after service of the Supplemental Response, the Debtors could request:

(1) That the Claimant produce documents relevant to the Contested Claim. Documents would be required to be produced within five business days following conclusion of a Mediation, unless the parties agreed otherwise.

(2) That the Claimant respond to no more than five interrogatories, including discrete subparts. Responses would be required to

be produced within five business days following conclusion of the Mediation, unless the parties agreed otherwise.

(3) That the Claimant respond to no more than ten requests for admission. Responses would be required to be produced within five business days following conclusion of the Mediation, unless the parties agreed otherwise.

(ii) No later than five business days after service of the Supplemental Reply, the Claimant could request:

(1) That the Debtors produce documents relevant to the Contested Claim. Documents would be required to be produced within five business days following conclusion of the Mediation, unless the parties agreed otherwise.

(2) That the Debtors respond to no more than five interrogatories, including discrete subparts. Responses would be required to be produced within five business days following conclusion of the Mediation, unless the parties agreed otherwise.

(3) That the Debtors respond to no more than ten requests for admission. Responses would be required to be produced within five business days following conclusion of the Mediation, unless the parties agreed otherwise.

(iii) No earlier than the conclusion of the Mediation and no later than ten business days after conclusion of the Mediation, the Debtors could, at their election, take the deposition upon oral examination of each witness whose affidavit or declaration was proffered in support of the Claimant's Supplemental Response. Each deposition would be limited to three hours.

(iv) No earlier than the conclusion of the Mediation and no later than ten business days after conclusion of the Mediation, the Claimant could, at its election, take the deposition upon oral examination of each witness whose affidavit or declaration was proffered in support of the Debtors' Supplemental Reply. Each deposition would be limited to three hours.

(h) Conduct Of The Estimation Or Claims Objection Hearing. If the Claimant files a Supplemental Response and participates in the Meet and Confer and the Mediation, the Court would hold an Estimation Hearing or the Claims Objection Hearing, as appropriate, at which the Debtors and the Claimant would each have one hour to present its respective case, inclusive of time cross-examining their opponent's witnesses and making argument to the Court.

(i) Mandatory Appearance At Claims Hearings. With respect to each Contested Claim to be considered at a Sufficiency Hearing, an Estimation Hearing, or a Claims Objection Hearing, each of the Claimant and the Debtors would be required to have the

following representatives present at the hearing: (i) counsel, except to the extent that such Claimant was proceeding pro se, and (ii) a person possessing the ultimate authority to reconcile, settle, or otherwise resolve the Contested Claim on behalf of the Claimant and the Debtors, respectively. Failure by the Claimant to appear in person at a Sufficiency Hearing, an Estimation Hearing, or a Claims Objection Hearing, or to have a person with the ultimate authority to reconcile, settle, or otherwise resolve the Contested Claim present at such hearing, would constitute grounds for disallowance and expungement of the Contested Claim without further hearing or notice to the Claimant.

(j) Summary Estimation Of Contested Claims When Appeal Is Pending.

To the extent that the underlying merits supporting a Contested Claim which is set for an Estimation Hearing have been determined in a binding adjudication, either by a court of competent jurisdiction, a binding arbitration process, or otherwise, and such determination was on appeal as of the Petition Date, but was stayed pursuant to section 362 of the Bankruptcy Code, neither the Debtors nor the relevant Claimant would be entitled to conduct any discovery of the other party prior to such Estimation Hearing and the Court, in considering whether to grant the relief sought by the Debtors with respect to such Contested Claim, would rely solely on (i) the Claimant's Proof of Claim and Response and the Debtors' omnibus claims objection and reply (if any), (ii) the record on appeal, and (iii) the Claimant's and the Debtors' arguments at the Estimation Hearing.

(k) Estimation Based Upon Claimant's Asserted Estimated Amount. To the extent that a Contested Claim would be subject to estimation pursuant to section 502(c) of the Bankruptcy Code and the Debtors have sought authority to estimate such Contested Claim pursuant to an omnibus claims objection and/or a motion to estimate claims, if the Claimant has filed a Response in accordance with the procedures outlined above which (i) acknowledges that the Contested Claim is contingent or fully or partially unliquidated and (ii) provides the amount that the Claimant believes would be the allowable amount of such Contested Claim upon liquidation of the Contested Claim or occurrence of the contingency, as appropriate (the "Claimant's Asserted Estimated Amount"), the Debtors would be authorized, in their sole discretion, to elect to provisionally accept the Claimant's Asserted Estimated Amount as the estimated amount of such Contested Claim pursuant to section 502(c) of the Bankruptcy Code for all purposes, subject to further objection and reduction as appropriate. The Debtors' election would be made by serving the Claimant with a Notice Of Election To Accept Claimant's Asserted Estimated Amount in the form attached hereto as Exhibit E.

(l) Ability To Modify Procedures By Agreement Or For Good Cause Shown. No discovery, testimony, or motion practice other than that described herein would be permitted, unless otherwise agreed by the parties or as ordered by the Court for good cause shown.

37. The Debtors respectfully assert that the procedures described above are reasonable and appropriate in light of the need to estimate and resolve Contested Claims on an expedited basis in these chapter 11 cases. Holding In-Person Meet and Confers and in-person

Mediations in the Troy, Michigan area would be convenient for the Debtors as well as the largest group of the Debtors' creditors, most of whom are located in, or have substantial operations in, the Detroit metropolitan area. Conducting such proceedings in the Troy area is also appropriate because most of the Debtors' representatives who will be necessary to such proceedings are resident at or in the vicinity of the Debtors' headquarters. Therefore, the Debtors believe that holding Meet and Confers and Mediations in Troy will be the most cost effective solution for the Debtors and their creditors. Approval and implementation of these procedures will benefit all parties-in-interest by promoting the ability of the Debtors to reach a consensual resolution on the terms of a plan of reorganization, emerge from chapter 11, and begin distributions on claims.

38. Additionally, the Claims Hearing Procedures would alleviate the massive burden that would otherwise be impressed upon the Court. For example, pursuant to the Claims Hearing Procedures, the Debtors believe that many Contested Claims will be resolved or estimated through consensual negotiations of the parties or through the mandatory summary Mediation. This would avoid the Court's having to hear objections to the Contested Claims, or having to estimate the Contested Claims, and having to conduct full evidentiary hearings in connection therewith.

39. Without the Claims Hearing Procedures, litigation to resolve many of the claims would necessarily be complex and expensive. Certain litigation would require extensive discovery, including significant document production and numerous depositions, with the attendant demand on the Court's time to supervise and/or resolve disputes related thereto.

Applicable Authority

40. Bankruptcy courts have broad latitude in determining the process for hearing contested matters. The Advisory Committee Note to Bankruptcy Rule 3007 specifically

directs that a contested matter initiated by an objection to a claim is governed by Rule 9014.

Bankruptcy Rule 9014 provides that this Court "may at any stage in a particular matter direct that one or more of the other rules in Part VII shall apply." See Fed. R. Bankr. P. 9014(c).

41. With respect to the Sufficiency Hearings, the Court has the discretion to disallow and expunge legally insufficient claims at summary hearing. This is consistent with the Court's discretion to rule on the sufficiency of the pleadings presented by the Claimant under Bankruptcy Rule 7012(b) (incorporating by reference Fed. R. Civ. P. 12(b)(6) (motion to dismiss for failure to state a claim) and Fed. R. Civ. P. 12(c) (judgment on the pleadings)) which the Court, in its discretion, may apply under Bankruptcy Rule 9014. The burden of proof to establish a claim against an estate rests on the claimant and, if a proof of claim does not include sufficient factual support, the proof of claim is not entitled to a presumption of prima facie validity pursuant to Bankruptcy Rule 3001(f) . In re WorldCom, Inc., No. 02-13533, 2005 WL 3832065, at *4 (Bankr. S.D.N.Y. Dec. 29, 2005) (only a claim that alleges facts sufficient to support legal liability to claimant satisfies claimant's initial obligation to file substantiated proof of claim); see also In re Allegheny Intern., Inc., 954 F.2d 167, 174 (3d Cir. 1992) (in its initial proof of claim filing, claimant must allege facts sufficient to support claim). As a result of the Claimants' failure to sufficiently support the Contested Claims, such Contested Claims do not make out a prima facie case against the Debtors and are subject to disallowance and expungement following a Sufficiency Hearing pursuant to Bankruptcy Rule 7012(b).

42. The Debtors further request that this Court exercise its discretion under Bankruptcy Rule 9014 to direct that Bankruptcy Rule 7016, which concerns pre-trial procedures, apply with respect to all proceedings regarding Contested Claims. See Fed. R. Bankr. P. 7016.⁶

43. Bankruptcy Rule 7016 makes applicable Rule 16 of the Federal Rules of Civil Procedure. Pursuant to Rule 16, trial courts have broad authority to enter orders to "provide for the prompt litigation and disposition of every adversary proceeding and to require strict adherence to the Scheduling Order." See In re Bonfiglio, 231 B.R. 197, 198 (Bankr. S.D.N.Y. 1999). Rule 16 is designed to give the trial court a "firm hand" with which it can control the litigation before it. See Campania Management Co. v. Rooks, Pitts, & Poust, 290 F.3d 843, 851-52 (7th Cir. 2002). Rule 16 also gives the trial court the powers it needs to "achieve the orderly and expeditious disposition of cases." See Link v. Wabash Railroad Co., 370 U.S. 626, 630-31 (1962); see also Spain v. Board of Education, 214 F.3d 925, 930 (7th Cir. 2000) (same). These powers include the ability of the trial court to conduct pre-trial conferences to force the litigants to refine the issues and particularize their claims. See Berkovitz v. Home Box Office, Inc., 89 F.3d 24, 28-29 (1st Cir. 1996). If after conducting such pre-trial conferences the trial court is convinced that summary judgment is proper, the court is empowered to sua sponte dispose of those claims. Id. ("there is no reason to require that the elimination of nontrialworthy claims await a formal motion for summary judgment.").

⁶ Other courts have adopted a similar position. For example, a standing order of the United States Bankruptcy Court for the Eastern District of Missouri applies Bankruptcy Rule 7016 to all claims objection procedures. See American Martial Arts, Inc. v. Interco, Inc. (In re Interco Inc.), 139 B.R. 224, 225 n.1 (Bankr. E.D. Mo. 1992) ("This Court has made Rule 16 of the Federal Rules of Civil Procedure, as incorporated by Bankruptcy Rule 7016, applicable to claims objections procedures. See Standing Order § 3, April 18, 1991 at 12. This is in accordance with the Federal Rules of Civil Procedure and the Bankruptcy Rules. The Advisory Committee Note to Bankruptcy Rule 3007 directs that a 'contested matter initiated by an objection to a claim is governed by Rule 9014 ...' Rule 9014 sets out the rules under Part VII of the Bankruptcy Rules which shall apply to contested matters and provides that '[t]he court may at any stage in a particular matter direct that one or more of the other rules in Part VII shall apply.'").

44. Specifically, Fed. R. Civ. P. 16 grants authority for trial courts to issue orders to:

(a) limit the time available for discovery and the types of discovery to be used (Fed. R. Civ. P. 16(b)(3), (c)(6));

(b) formulate and simplify the issues, including the elimination of frivolous claims or defenses Fed. R. Civ. P. 16(c)(1));

(c) avoid unnecessary proof and cumulative evidence and place limitations or restrictions on the use of expert testimony (Fed. R. Civ. P. 16(c)(4));

(d) examine the appropriateness of summary adjudication under Rule 56 (Fed. R. Civ. P. 16(c)(5));

(e) schedule the exchange of pre-trial briefs (Fed. R. Civ. P. 16(c)(7));

(f) employ special procedures to assist in resolving the dispute when authorized by statute or local rule (Fed. R. Civ. P. 16(c)(9)), including the use of mini-trials and summary trials (1993 Notes of Advisory Committee to Rule 16, ¶ 10);

(g) establish limits on the time allowed for presenting evidence (Fed. R. Civ. P. 16(c)(15)); and

(h) facilitate in the "just, speedy, and inexpensive disposition of the action." (Fed. R. Civ. P. 16(c)(16).

45. Further support for the Claims Hearing Procedures can be found in Rule 26(b)(2) of the Federal Rules of Civil Procedure, which is applicable to contested matters pursuant to Bankruptcy Rules 7026 and 9014. See Fed. R. Bankr. P. 7026; Fed. R. Bankr. P. 9014(c) ("Except as otherwise provided in this rule, and unless the court directs otherwise, the following rules shall apply: . . . 7026"). Fed. R. Civ. P. 26(b)(2) provides that the court may alter the limits on the number of depositions, interrogatories, and requests for admissions, as well as the length of depositions, upon a determination that, inter alia, "the burden or expense of the proposed discovery outweighs its likely benefit." Fed. R. Civ. P. 26(b)(2). The Claims Hearing Procedures allow the Debtors and the Claimants to conduct meaningful discovery with respect to Contested Claims while avoiding the tremendous burden that would be placed upon the Debtors'

ability to formulate a plan of reorganization and emerge from chapter 11 protection if the Procedures were not approved. Furthermore, where a Claimant can show that additional or expanded discovery would provide significant benefits, the Claims Hearing Procedures expressly preserve this Court's ability to modify the limits on discovery appropriately, thereby protecting Claimants' rights.

46. Bankruptcy Rule 9014(c) also provides that the Court "shall give the parties notice of any order issued under this paragraph to afford them a reasonable opportunity to comply with the procedures prescribed by the order." Fed. R. Bankr. P. 9014(c). The Debtors propose to provide such notice to all Claimants whose Proofs of Claim are subject to future claims objections to which the Claims Hearing Procedures are applicable by (a) providing each such Claimant with a copy of any order entered with respect to this Motion as part of the service of the claims objection, and (b) including the following language in the personalized Notices Of Objection To Claim sent to each such Claimant:

THOSE PROCEDURES PROVIDED BY THE TERMS OF THAT CERTAIN ORDER PURSUANT TO 11 U.S.C. §§ 502(b) AND 502(c) AND FED. R. BANKR. P. 2002(m), 3007, 7016, 7026, 9006, 9007, AND 9014 ESTABLISHING (I) DATES FOR HEARINGS REGARDING DISALLOWANCE OR ESTIMATION OF CLAIMS AND (II) CERTAIN NOTICES AND PROCEDURES GOVERNING HEARINGS REGARDING DISALLOWANCE OR ESTIMATION OF CLAIMS, DATED NOVEMBER ___, 2006 (THE "PROCEDURES ORDER"), ARE APPLICABLE TO YOUR PROOFS OF CLAIM THAT ARE SUBJECT TO OBJECTION BY THE DEBTORS PURSUANT TO THE OBJECTION SET FORTH ABOVE. A COPY OF THE PROCEDURES ORDER IS INCLUDED HERewith.

47. There is also ample authority for the Court to estimate the contingent or unliquidated Contested Claims for purposes of a distribution under a plan of reorganization. Indeed section 502(c) of the Bankruptcy Code provides that the Court shall estimate for purposes of allowance "any contingent or unliquidated claim, the fixing or liquidation of which, as the case may be, would unduly delay the administration of the case." 11 U.S.C. § 502(c); see also In

re Chateaugay Corp., 944 F.2d 997, 1006 (2d Cir. 1991) (stating that courts should make a "speedy and rough estimation of claims for purposes of determining [the claimant's] voice in the Chapter 11 proceeding"); In re Fox, 64 B.R. 148, 151 (Bankr. N.D. Ohio 1986) ("The language of section 502(c) is mandatory and places an affirmative duty on the court to estimate unliquidated claims under proper circumstances").

48. In estimating Contested Claims, this Court has broad latitude and may use whatever method is best suited to the contingencies of the case, so long as the procedure is consistent with the fundamental policy of chapter 11 which encourages quick and efficient reorganizations. In re Adelphia Bus. Solutions, Inc., 341 B.R. 415, 422 (Bankr. S.D.N.Y. 2003) (stating that "estimation, authorized under section 502(c) of the Code, provides a means for a bankruptcy court to achieve reorganization, and/or distributions on claims, without awaiting the results of legal proceedings that could take a very long time to determine"); see also Bittner v. Borne Chem. Co., 691 F.2d 134, 134 (3d Cir. 1982) (finding that in estimating value, court is bound by legal rules which may govern ultimate value of claims, but court is not limited in its authority to evaluate claims except for general principles which should inform all decisions made under Bankruptcy Code). Moreover, since neither the Bankruptcy Code nor the Bankruptcy Rules prescribe any method for estimating claims, bankruptcy courts have employed a variety of claim estimation methods depending on what best suits the particular circumstances of a case. In re Ralph Lauren Womenswear, Inc., 197 B.R. 771, 775 (Bankr. S.D.N.Y. 1996) (applying probability of success test, which requires court to estimate claims according to present value of probability of success); In re Kaplan, 186 B.R. 871 874 (Bankr. D.N.J. 1995) (estimating unliquidated guarantee claim at \$0 under section 502(c)(1)); In re Windsor Plumbing Supply Co.,

Inc., 170 B.R. 503, 520 (Bankr. E.D.N.Y 1994) (stating that estimated value of claim should be amount of claim diminished by probability that it may be sustainable only in part or not at all).

49. The procedures proposed herein are fair and reasonable and cause exists to justify the granting of the relief requested by this Motion. As described above, more than 16,000 proofs of claim have been filed in the Debtors' chapter 11 cases, including more than 6,000 which assert unliquidated claims and thousands more that are likely to be disputed by the Debtors. The magnitude of the administration required in respect of analyzing and resolving the Proofs of Claims as well as the magnitude of coordinating and organizing the task cannot be overstated. The procedures proposed herein provide a streamlined method, including through the utilization of estimation as permitted by the Bankruptcy Code, to efficiently resolve many issues attendant to the estimation and resolution of the Contested Claims.

50. The Debtors' proposed procedures permit the Debtors and Claimants an opportunity to engage in systematic negotiations to attempt to reach a consensual settlement outside of the confines of a courtroom. The procedures also provide guidelines for the Debtors and Claimants to bring Contested Claims to the Court and to prosecute and resolve the Contested Claims in an equitable and efficient manner.

51. The Debtors' implementation of an expedited claims administration process, of which the relief sought by this Motion is a cornerstone, is critical to the Debtors' ability to emerge from these chapter 11 cases promptly. In the course of the ongoing framework discussions among the Debtors, their statutory committees, and other parties-in-interest, it has become clear that the parties' ability to reach agreement on a framework for the Debtors' emergence is predicated upon a clear understanding of the scope of the claims against the Debtors that will ultimately be allowed in these cases. Such an agreement is a prerequisite for

the Debtors to be able to file a consensual plan of reorganization and to proceed with confirmation of such a plan.

52. Finally, the proposed procedures will alleviate the massive burden that would otherwise be impressed upon the Court. For example, pursuant to the Claims Hearing Procedures, the Debtors believe that many Contested Claims would be resolved or estimated through consensual negotiations of the parties or through the mandatory summary Mediation. This would avoid the Court's having to hear objections to such Contested Claims, or having to estimate the Contested Claims, and having to conduct full evidentiary hearings in connection therewith.

53. For all of the above reasons, the Debtors submit that entry of an order authorizing and establishing the procedures outlined herein is appropriate and is in the best interests of the Debtors, their creditors, and their estates.

Notice

54. Notice of this Motion has been provided in accordance with the Amended Eighth Supplemental Case Management Order. In light of the nature of the relief requested, the Debtors submit that no other or further notice is necessary.

Memorandum Of Law

55. Because the legal points and authorities upon which this Motion relies are incorporated herein, the Debtors respectfully request that the requirement of the service and filing of a separate memorandum of law under Local Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York be deemed satisfied.

WHEREFORE the Debtors respectfully request that the Court enter an order (a)
granting the relief requested herein and (b) granting the Debtors such other further relief as is just.

calendar day prior to the Omnibus Hearing for which the relevant claims objection or omnibus claims objection is scheduled.

3. Every Response must contain at a minimum the following:

(a) a caption setting forth the name of the Court, the names of the Debtors, the case number, and the title of the claims objection to which the Response is directed;

(b) the name of the claimant (each holder of a proof of claim, a "Claimant") and a description of the basis for the amount of the claim;

(c) a concise statement setting forth the reasons why the claim should not be disallowed, expunged, reduced, or reclassified for the reasons set forth in the claims objection, including, but not limited to, the specific factual and legal bases upon which the Claimant will rely in opposing the claims objection;

(d) all documentation or other evidence of the claim upon which the Claimant will rely in opposing the claims objection to the extent not included with the proof of claim previously filed with the Court;

(g) the name, address, and telephone number of the person (which may be the claimant or his/her/its legal representative) possessing ultimate authority to reconcile, settle, or otherwise resolve the claim on behalf of the Claimant.

4. Only those Responses made in writing and timely filed and received will be considered by the Court at any hearing on the relevant objection. If a Claimant whose proof of claim is subject to a claims objection and who is served with the relevant claims objection fails to file and serve a timely Response in compliance with the foregoing procedures, the Debtors may present to the Court an appropriate order seeking relief with respect to such claim consistent with the relief sought in the relevant claims objection without further notice to the claimant.

5. To the extent that a Response is filed with respect to any claim listed in an claims objection (each, a "Contested Claim") and the Debtors are unable to resolve the response

prior to the hearing on such objection, each such Claim and the objection to such Claim asserted in the claims objection is hereby deemed to constitute a separate contested matter as contemplated by Bankruptcy Rule 9014.

6. Any order entered by the Court with respect to an objection asserted in an omnibus claims objection is hereby deemed a separate order with respect to each claim.

7. Consistent with the provisions of the Amended Eighth Supplemental Case Management Order, the Debtors may, at their option, file and serve a reply to Responses no later than 4:00 p.m. (prevailing Eastern time) on the day immediately preceding the date of any hearing on the subject omnibus claims objection.

8. The Debtors are hereby authorized to serve each claimant whose proof of claim is listed in an omnibus claims objection with (a) a personalized Notice Of Objection To Claim which specifically identifies the Claimant's proof of claim that is subject to objection and the basis for such objection and (b) a complete copy of the relevant omnibus claims objection without exhibits. Service of omnibus claims objections in such manner shall constitute good and sufficient notice and no other or further notice to claimants of an omnibus claims objection shall be required.

9. Kurtzman Carson Consultants, LLC (the "Claims Agent") is hereby directed to serve orders entered with respect to omnibus claims objections, including exhibits, only on the master service list and the 2002 list. The Claims Agent is hereby further directed to serve all claimants whose proofs of claim are the subject of an order entered with respect to an omnibus claims objection with a copy of such order, without exhibits, and a personalized Notice Of Entry Of Order in the form attached hereto as Exhibit A specifically identifying the claimant's proof of claim that is subject to the order, the Court's treatment of such proof of claim, and the

basis for such treatment, as well as advising the claimant of its ability to view the order with exhibits free of charge on the Debtors' Legal Information Website. The Court hereby directs the Claims Agent to serve the First Omnibus Claims Order in the manner provided hereby.

10. The Court approve the following procedures for adjudicating Contested Claims (the "Claims Hearing Procedures"):

(a) Adjournment To Claims Hearing.

(i) The Debtors, in their sole discretion, may adjourn the hearing upon each Contested Claim to a Claims Hearing of the Debtors' election by providing the Claimant with a notice identifying the date and type of the hearing following the filing of the Response:

(A) for a non-evidentiary hearing to address the legal sufficiency of the particular proof of claim and whether the proof of claim states a colorable claim against the asserted Debtor (a "Sufficiency Hearing"), by providing the relevant Claimant with, and filing with this Court, a notice substantially in the form attached hereto as Exhibit B at least ten calendar days prior to the date of such Sufficiency Hearing,

(B) to the extent such Contested Claim is unliquidated or contingent, for a hearing to estimate the Contested Claim for all purposes, including voting and distribution, pursuant to section 502(c) of the Bankruptcy Code (an "Estimation Hearing"), by providing the relevant Claimant with, and filing with this Court, a notice substantially in the form attached hereto as Exhibit C (the "Notice Of Adjourned Estimation Hearing") at least 45 days prior to the date of such Estimation Hearing, or

(C) for an evidentiary hearing on the merits of such Contested Claim (an "Claims Objection Hearing"), by providing the relevant Claimant with, and filing with this Court, a notice substantially in the form attached hereto as Exhibit D (the "Notice Of Adjourned Claims Objection Hearing") at least 45 days prior to the date of such Claims Objection Hearing.

(ii) The Debtors, in their sole discretion, are authorized to further adjourn a hearing scheduled in accordance herewith at any time by providing notice to the Court and the Claimant at least five business days prior to the date of the scheduled hearing.

(b) Sufficiency Hearing Procedures.

(i) To the extent that a Contested Claim is adjourned by the Debtors to a Sufficiency Hearing, the Debtors may file and serve their Supplemental Reply no later than ten calendar days before the scheduled Sufficiency Hearing. The Supplemental Reply shall not exceed fifteen single-sided, double-spaced pages.

(ii) To the extent that a Contested Claim is adjourned to a Sufficiency Hearing by the Debtors, the Claimant may file and serve their Supplemental Response no later than three calendar days before the scheduled Sufficiency Hearing. The Supplemental Response shall not exceed fifteen single-sided, double-spaced pages.

(iii) The Court, in considering whether to grant the relief sought by the Debtors with respect to such Contested Claim, shall rely solely on (a) the Claimant's Proof of Claim, Response, and Supplemental Response (if any), (b) the Debtors' omnibus claims objection, reply, and Supplemental Reply (if any), and (c) the Claimant's and the Debtors' arguments at the Sufficiency Hearing.

(iv) To the extent that this Court determines upon conclusion of such Sufficiency Hearing that such Contested Claim cannot be disallowed without further proceedings, the Debtors, in their sole discretion, may elect to estimate or seek disallowance of the Contested Claim pursuant to the procedures set forth herein with respect to an Estimation Hearing or Claims Hearing.

(c) Mandatory Meet And Confer.

(i) To the extent that a Contested Claim (i) exceeds \$250,000 or asserts unliquidated claims, and (ii) is scheduled by the Debtors for either an Estimation Hearing or a Claims Objection Hearing, the Debtors and the relevant Claimant (unless the Claimant irrevocably agrees in writing that the allowed amount of such Contested Claim shall be limited to a maximum of \$250,000) shall hold an in-person meet and confer (an "In-Person Meet and Confer") at a neutral location in Troy, Michigan, or such other location as is reasonably acceptable to the Debtors, within five business days of service of the Notice Of Adjourned Estimation Hearing or Notice Of Adjourned Claims Objection, as appropriate.

(ii) To the extent that (i) a Contested Claim is less than or equal to \$250,000 or asserts unliquidated claims and the Claimant with respect thereto irrevocably agrees in writing that the allowed amount of such Contested Claim shall be limited to a maximum of \$250,000, and (ii) is scheduled by the Debtors for either an Estimation Hearing or a Claims Objection Hearing, and the Claimant asserting a Contested Claim that would otherwise require an In-Person Meet and Confer pursuant to clause (c)(i) demonstrates good cause why an In-Person Meet and Confer would be unduly burdensome, the Debtors and the relevant Claimant shall hold a telephonic meet and confer (a "Telephonic Meet and Confer" and, collectively with In-Person Meet and Confers, the "Meet and Confers") within five business days of service of the Notice Of Adjourned Estimation Hearing or Notice Of Adjourned Claims Objection, as appropriate.

(iii) The following representatives of each of the Debtors and the Claimant shall attend the Meet and Confer: (i) counsel for each of the parties, except for a Claimant proceeding pro se, and (ii) a person possessing ultimate authority to reconcile, settle, or otherwise resolve the Contested Claim on behalf of the Debtors and the Claimant, respectively.

(iv) Failure by the Claimant to participate in a Meet and Confer within five business days of service of the Notice Of Adjourned Estimation Hearing or Notice Of

Adjourned Claims Objection, as appropriate, will constitute grounds for disallowance and expungement of the Contested Claim.

(d) Claimant's Supplemental Response. To the extent that the Debtors schedule an Estimation Hearing or a Claims Objection Hearing for a Contested Claim, the following procedures apply to the Claimant's written supplemental response (the "Supplemental Response"):

(i) The Claimant shall file and serve its Supplemental Response no later than five business days after conclusion of the Meet and Confer. The Supplemental Response is hereby required not to exceed fifteen single-sided, double-spaced pages (exclusive of exhibits or affidavits).

(ii) If the Claimant relies on exhibits, the Claimant shall include such exhibits in its Supplemental Response (other than those previously included with either its Proof of Claim or its Response). If a Contested Claim is based upon a contract or other agreement that was not attached to the Proof of Claim or the Response, the Claimant shall include such contract as an exhibit to the Supplemental Response. The Claimant shall include a certificate of counsel or a declaration or affidavit authenticating any documents attached to the Supplemental Response.

(iii) The Supplemental Response may include affidavits or declarations from no more than two witnesses setting forth the basis of the Contested Claim and evidence supporting the Contested Claim. Any witnesses whose affidavits or declarations are submitted with the Supplemental Response must be present at the Estimation Hearing or the Claims Objection Hearing, as appropriate. The Claimant is not permitted to elicit any direct testimony of those witnesses at the Estimation Hearing or the Claims Objection Hearing, as appropriate; instead, the affidavit or declaration submitted with the Supplemental Response shall serve as the witnesses' direct testimony and the Debtors may cross examine the witnesses at the Estimation Hearing or the Claims Objection Hearing, as appropriate. No other or additional witnesses may introduce evidence at the hearing on behalf of the Claimant.

(iv) No later than three business days prior to commencement of the Estimation Hearing or Claims Objection Hearing, as appropriate, the Claimant may file a supplemental affidavit or declaration on behalf of each of its two witnesses solely for the purpose of supplementing such witness' prior affidavit or declaration with respect to matters adduced through the discovery provided by these Claims Hearing Procedures.

(e) Debtors' Supplemental Reply. To the extent that the Debtors schedule an Estimation Hearing or a Claims Objection Hearing with respect to a Contested Claim, the following procedures shall apply to the Debtors' written supplemental reply, if any (the "Supplemental Reply"):

(i) The Debtors may file and serve a Supplemental Reply no later than 20 business days prior to commencement of the Estimation Hearing or the Claims Objection Hearing, as appropriate. The Supplemental Reply shall not exceed fifteen single-sided, double-spaced pages (exclusive of exhibits or affidavits).

(ii) If the Debtors rely on exhibits, the Debtors shall include such exhibits in their Supplemental Reply (other than those previously included with either their objection or reply). The Debtors shall include a certificate of counsel or a declaration or affidavit authenticating any documents attached to the Supplemental Reply.

(iii) The Supplemental Reply may include affidavits or declarations from no more than two witnesses setting forth the Debtors' basis for objecting to the Contested Claim and evidence in support of such objection or in support of their proposed estimated amount of the Contested Claim. Any witnesses whose affidavits or declarations are submitted with the Supplemental Reply shall be present at the Estimation Hearing or the Claims Objection Hearing, as appropriate. The Debtors shall not be permitted to elicit any direct testimony of those witnesses at the Estimation Hearing or the Claims Objection Hearing, as appropriate; instead, the affidavit or declaration submitted with the Supplemental Reply shall serve as the witnesses' direct testimony and the Claimant may cross examine the witnesses at the Estimation Hearing or the Claims Objection Hearing, as appropriate. No other or additional witnesses may introduce evidence at the hearing on behalf of the Debtors.

(iv) No later than three business days prior to commencement of the Estimation Hearing or Claims Objection Hearing, as appropriate, the Debtors may file a supplemental affidavit or declaration on behalf of each of their two witnesses solely for the purpose of supplementing such witness's prior affidavit or declaration with respect to matters adduced through the discovery provided by these Claims Hearing Procedures.

(f) Mandatory Non-Binding Summary Mediation. At least 15 business days prior to commencement of the Estimation Hearing or the Claims Objection Hearing, as appropriate, the Debtors and the Claimant shall submit to mandatory non-binding summary mediation (each, a "Mediation") in an effort to resolve the outstanding objection consensually or determine an agreed estimated amount of the Contested Claim. The following procedures shall apply to each Mediation:

(i) Each Mediation shall be assigned to one of the mediators listed by the Debtors on November __, 2006 at the Debtors' discretion (each, a "Mediator").

(ii) The Mediator shall consider a record consisting only of the contents of the Contested Claim, the Debtors' omnibus claims objection and/or motion to estimate, the Claimant's Response, the Debtors' reply, the Claimant's Supplemental Response, and any other relevant pleadings filed by the Debtors or the Claimant prior to the commencement of the Mediation. The Mediator shall not have the authority to require either the Debtors or the Claimant to provide any additional briefing with respect to the Mediation.

(iii) To the extent that a Contested Claim exceeds \$250,000 or asserts unliquidated claims (unless the Claimant with respect thereto irrevocably agrees in writing that the allowed amount of such Contested Claim shall be limited to a maximum of \$250,000), the Mediation shall be held at a neutral location in Troy, Michigan or such other location as is reasonably acceptable to the Debtors.

(iv) To the extent that the Contested Claim is less than or equal to \$250,000 or asserts unliquidated claims and the Claimant with respect thereto irrevocably agrees in writing that the allowed amount of such Contested Claim shall be limited to a maximum of \$250,000, the Mediation may be held telephonically at either the Debtors' or the Claimant's request.

(v) The following representatives of each of the Debtors and the Claimant shall attend the Mediation: (i) counsel for each of the parties, except for a Claimant proceeding pro se, and (ii) a person possessing ultimate authority to reconcile, settle, or otherwise resolve the Contested Claim on behalf of the Debtors and the Claimant, respectively.

(vi) If no consensual agreement is reached for settlement of the Debtors' objection or on an estimate of the Contested Claim, as appropriate, and the parties agree or the Mediator determines that further Mediation is not likely to yield such an agreement, the Claimant and the Debtors, or the Mediator, as the case may be, shall sign a statement that the Contested Claim could not be settled after a good faith effort.

(vii) Failure by the Claimant to participate in a Mediation shall constitute grounds for disallowance and expungement of the Contested Claim.

(viii) The Debtors and the Claimant shall each bear their own costs in participating in the Mediation. The Debtors are hereby authorized to pay the Mediator's fees.

(g) Estimation And Claims Objection Hearing Discovery. To the extent that the Debtors schedule a Contested Claim for an Estimation Hearing or a Claims Objection Hearing, the Debtors and the Claimant shall be bound by the following discovery procedures:

(i) No later than five business days after service of the Supplemental Response, the Debtors may request:

(A) That the Claimant produce documents relevant to the Contested Claim. Documents shall be produced within five business days following conclusion of the Mediation, unless the parties agree otherwise.

(B) That the Claimant respond to no more than five interrogatories, including discrete subparts. Responses shall be produced within five business days following conclusion of the Mediation, unless the parties agree otherwise.

(C) That the Claimant respond to no more than ten requests for admission. Responses shall be produced within five business days following conclusion of the Mediation, unless the parties agree otherwise.

(ii) No later than five business days after service of the Supplemental Reply, the Claimant may request:

(A) That the Debtors produce documents relevant to the Contested Claim. Documents shall be produced within five business days following conclusion of the Mediation, unless the parties agree otherwise.

(B) That the Debtors respond to no more than five interrogatories, including discrete subparts. Responses shall be produced within five business days following conclusion of the Mediation, unless the parties agree otherwise.

(C) That the Debtors respond to no more than ten requests for admission. Responses shall be produced within five business days following conclusion of the Mediation, unless the parties agree otherwise.

(iii) No earlier than the conclusion of the Mediation and no later than ten business days after conclusion of the Mediation, the Debtors may, at their election, take the deposition upon oral examination of each witness whose affidavit or declaration was proffered in support of the Claimant's Supplemental Response. Each deposition shall not exceed three hours.

(iv) No earlier than the conclusion of the Mediation and no later than ten business days after conclusion of the Mediation, the Claimant may, at its election, take the deposition upon oral examination of each witness whose affidavit or declaration was proffered in support of the Debtors' Supplemental Reply. Each deposition shall not exceed three hours.

(h) Conduct Of The Estimation Or Claims Objection Hearing. If the Claimant files a Supplemental Response and participates in the Meet and Confer and the Mediation, the Court shall hold an Estimation Hearing or a Claims Objection Hearing, as appropriate, at which the Debtors and the Claimant shall each be permitted one hour to present their respective cases, inclusive of time cross-examining their opponent's witnesses and making argument to the Court.

(i) Mandatory Appearance At Claims Hearings. With respect to each Contested Claim to be considered at a Sufficiency Hearing, an Estimation Hearing, or a Claims Objection Hearing, the following representatives of each of the Claimant and the Debtors shall be present at the hearing: (i) counsel, except to the extent that such Claimant is proceeding pro se, and (ii) a person possessing the ultimate authority to reconcile, settle, or otherwise resolve the Contested Claim on behalf of the Claimant. Failure by the Claimant to appear in person at a Sufficiency Hearing, an Estimation Hearing, or a Claims Objection Hearing, or to have a person with the ultimate authority to reconcile, settle, or otherwise resolve the Contested Claim present at such hearing, shall constitute grounds for disallowance and expungement of the Contested Claim without further hearing or notice to the Claimant.

(j) Summary Estimation Of Contested Claims When Appeal Is Pending. To the extent that the underlying merits supporting a Contested Claim which is set for an Estimation Hearing has been determined in a binding adjudication, either by a court of competent jurisdiction, a binding arbitration, or otherwise, and is on appeal as of the Petition Date, but was stayed pursuant to section 362 of the Bankruptcy Code, neither the Debtors nor the relevant Claimant shall be entitled to conduct any discovery of the other party prior to such Estimation Hearing and the Court, in considering whether to grant the relief sought by the Debtors with respect to such Contested Claim, shall rely solely on (i) the Claimant's Proof of Claim and Response and the Debtors' omnibus claims objection and reply (if any), (ii) the record on appeal, and (iii) the Claimant's and the Debtors' arguments at the Estimation Hearing.

(k) Estimation Based Upon Claimant's Asserted Estimated Amount. To the extent that a Contested Claim would be subject to estimation pursuant to section 502(c) of the Bankruptcy Code and the Debtors have sought authority to estimate such Contested Claim pursuant to an omnibus claims objection and/or a motion to estimate claims, if the Claimant has filed a Response in accordance with the procedures outlined above which (i) acknowledges that the Contested Claim is contingent or fully or partially unliquidated and (ii) provides the amount that the Claimant believes would be the allowable amount of such Contested Claim upon liquidation of the Contested Claim or occurrence of the contingency, as appropriate (the "Claimant's Asserted Estimated Amount"), the Debtors are hereby authorized, in their sole discretion, to elect to provisionally accept the Claimant's Asserted Estimated Amount as the estimated amount of such Contested Claim pursuant to section 502(c) of the Bankruptcy Code for all purposes, subject to further objection and reduction as appropriate. The Debtors' election shall be made by serving the Claimant with a Notice Of Election To Accept Claimant's Asserted Estimated Amount in the form attached hereto as Exhibit E.

(l) Ability To Modify Procedures By Agreement Or For Good Cause Shown. No discovery, testimony, or motion practice other than that described herein shall be permitted, unless otherwise agreed by the parties or as ordered by this Court for good cause shown.

11. This Court shall retain jurisdiction to hear and determine all matters arising from the implementation of this order.

12. The requirement under Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York for the service and filing of a separate memorandum of law is deemed satisfied by the First Omnibus Claims Objection.
